Geronimo Stilton

Ghost Pirate Treasure Geronimo Stilton

Breakout star Creepella von Cacklefur is back in another fur-raising adventure

Oh, no! Billy Squeakspeare has a big problem, and he needs Creepella's help. Someone's been digging holes around Squeakspeare Mansion at night, and Billy wants to find out who it is. The dangerous, legendary pirate Morgan Darkwhisker is said to have buried his long-lost treasure near Squeakspeare Mansion years ago -- could he be hunting for his hidden riches? It's up to Billy and Creepella to find the treasure first

From Reader Review Ghost Pirate Treasure for online ebook

Rooji says

I think this book was great at some points with mystery, suspense or more. But also at some point I think it got boring because in some places the idea was repeating. I seem to like all the detail and how the writer wrote it

Amaris says

nice cool

Octavi says

Primero de una (espero) larga lista de libros que mi hijo quiere que lea después de que él los termine. Este no está mal, pero me gustan más las aventuras del dragón Coco, que también me he tenido que tragiar.

Ashleycarolhall O'Toole says

I love reading these with my 5 yr old. they are fun stories funny & silly and my son can see sight words and sound out other big words.

He would give it 6/5 stars

Reading together is one of my greatest joys.

Heather says

The third book in the Creepella von Cacklefur series. This book centers around the strange holes that have suddenly formed in Billy Squeakspeare's yard. He has no idea who has done this or why. Creepella is on the hunt. Billy asks his ghost uncle why someone would do this and out comes the tale of the hidden treasure that was given to a relative of Billy's by the pirate Morgan Blackwhisker for such a lovely time and stay at the mansion while he was in town. No one knows where the treasure is and even Blackwhisker, if he were still alive, would not know either as he had a horrible memory. So who is trying to find the treasure and where is it? Creepella seeks the expert advice of her teachers at her old school to help in solving the mystery.

This was a good book, very interesting and keep you thinking till the very end! Billy is such a funny character, always scared and fainting!

ThanaLechumi Dlo says

Nice

The Brothers says

Asher (7yo) read.

Lybah says

It was pretty good!!!!!!!!!!!!!(It's really suckie, never read it but I am nice enough to give it 2 stars)

Sydney says

its about someone is digging holes in Billy's backyard.so Billy calls his friend Creepella and says she heard of a ghost and that ghost buried his treasure in his backyard.so they find out who was trying to steal it and they found the treasure.

Elsbeth Magilton says

My kiddo loves these mice. I was excited for this spooky themed spin off, but Creepella is not the nicest, best example - more than a little rude. My son still enjoyed this but I think we will stick to the Geronimo series.

Rita says

If you are reading to a five year old boy, don't forget to check out the Geronimo Stilton books. They will be requested over and over until all that is left are the Crepella Von Cacklefur editions...books about Geronimo's creepy friend Creepela. Enjoy!

Marianna H says

The book Ghost Pirate Treasure was mysterious. The writing was great. The strength about the book is that a character would help her friend on a mystery. The weakness about the book is that the character's friend would faint when something is scared or just appeared out of nowhere, I would recommend this to a classmate because I bet that they would like a book that solves a mystery that is about a treasure. If this book was part of a series I would like to continue reading them.

Kathryn John says**So much fun!**

My son likes boys for main characters but even he likes Creepela's stories! He thinks the horror is silly and fun so he keeps having me get more of her books. Very fun read for kids and adults.

Hilarie says

Chalk another one up to my newly voracious reader. My Daughter really loves this series.

Nihel says

It's as if I was brought back to my childhood. It was great to once again be transported to another Geronimo novel. Great story, great intrigue, and of course great great fonts!
