Harper's Tale: Tribes Annie Bellet

A side-novel in the Twenty-Sided Sorceress series, Tribes will follow Harper as she deals with the events of the previous books and has her own adventures in the world of gaming conventions and tournaments.

October 2016 Update

Quick update.

Harper's book is taking longer than I expected. The themes in this book are very close to home for me and I want to make sure I do it justice.
