Lethal White Robert Galbraith

"I seen a kid killed...He strangled it, up by the horse."

When Billy, a troubled young man, comes to private eye Cormoran Strike's office to ask for his help investigating a crime he thinks he witnessed as a child, Strike is left deeply unsettled. While Billy is obviously mentally distressed, and cannot remember many concrete details, there is something sincere about him and his story. But before Strike can question him further, Billy bolts from his office in a panic.

Trying to get to the bottom of Billy's story, Strike and Robin Ellacott—once his assistant, now a partner in the agency—set off on a twisting trail that leads them through the backstreets of London, into a secretive inner sanctum within Parliament, and to a beautiful but sinister manor house deep in the countryside.

And during this labyrinthine investigation, Strike's own life is far from straightforward: his newfound fame as a private eye means he can no longer operate behind the scenes as he once did. Plus, his relationship with his former assistant is more fraught than it ever has been—Robin is now invaluable to Strike in the business, but their personal relationship is much, much trickier than that.

Mohammed Arabey says

As We're waiting for the fourth book, which in 14/3 lucky guy guessed its title on twitter..
Here's **Tom Burke**..Our BBC Strike :)

& **Holliday Grainger** will be his Robin

Can't wait for 2017 for the show...and what will be between my very favorite 'partners'..

As a teenager in the 90s, most of my peers' favorite love couples stories were Romeo & Julie, Rose & Jack
-*Dawson,dahh*-,Ross & Rachel, Tom & Nicole -*Brangelina wasn't there yet*-, etc..but not for me..
It was just **Mulder & Scully**,

I was obsessed by their bond,can't describe it & that's not the place, but for years I never loved a couple as
much as that kind..

And Then there was Cormoran Strike & Robin Ellacott..

Also I never waited for sequels as eager as for this amazing series Since the Harry Potter..

**So Happy Valentine's Day Cormoran & Robin... we can't wait to know what will happen after the
cliffhanger of Book Three.**

Edit: *Finally!!!* A cover, a blurb, and a release date of **September 18th** of this year! Woot! I believe that is the US release date as well as UK. I sure hope so!

~*~Meg~*~ says

When??? When?!?! WHEN!!?!?!?!?!?!?! I must know when!!!!!!!

John Ross says

I really love the Cormoran Strike series. That is why I am so excited for the next book in the series. Lethal

White has been the longest we have to wait so far.

To satiate my excitement I have created fan-made covers for both US and UK Editions.

5/22/2016: I NEED THIS NOW. CAN'T WAIT ANY LONGER. *drops on floor* I need it.... *rolls back and forth* now...

5/23/2017: It's been a year and a day since I wrote this and STILL NO COVER. We got a title at least but still!

5/28/2018: This is getting ridiculous. Yet another year has gone by and here I am....slowly dying due to suffering over a cliffhanger. I can barely breathe anymore. My heart is beating slowly. There are no news. No release date. Has this book been forgotten? Are we still getting it? Will we ever know the resolution to this story? I now realize we got a cover. Oh boy! At least. I can revive for a bit.

Warda says

WE FINALLY HAVE A RELEASE DATE!
GOOD GOD THIS TOOK YONKS BUT I'M SO HAPPY IT IS BEING PUBLISHED THIS YEAR!

Stepheny says

UPD: This is how I find out?! From a newsletter on Bookdepository?! Release date: 18th September 2018. Could I BE any more excited??

Yes, I'm stooping that low! I'm using GIFs now because there are no words to express how much I'm waiting for this book, I need more of Robin and Cormoran and their unusual relationship. I'm sure that so many things are going to go down in the next one because I can't stand suspense any longer... aaaah!

Mary Marz says

please hurry and release the 4th book, I can't wait to see how Cormoron and Robin's relationship change, if at all haha, love these books!!

Kai says

I hate it when they change cover designs mid series.
