### 3.5 Stars

I liked this book but I didn't love it. I liked Nina and Liam as a couple, they were cute together. I know that the tension grew between them but the instant they slept together they declared their love for one another. I wanted to see them form a relationship. I could see the sexual tension, passion and attraction but I was hoping for a little more romance.

I liked Nina's parent's reaction to Liam and Nina's relationship. If you're looking for a fast paced short romance then this book is for you. It doesn't involve any drama.

The storyline for this book is easy to follow and an enjoyable read.

When famous footballer Liam Butler finds himself in a scandal, he lays low at his best friends house. Nina has had a crush on Liam for years. When Liam turns up at her house, Nina is shocked. After spending a short amount of time together sparks fly between them. As Liam tries to resist his attraction he soon finds his attraction undeniable. As feelings grow between Nina and Liam, the press scandal continues. When Liam and Nina start a relationship Liam realises that he has to sort his situation/scandal out first. Will Liam prove his innocence? Will Nina and Liam get their happily ever after?

Another light-hearted, sexy and sweet, older man younger woman romance from Mia Madison. Her books are like my palette cleanser between books. I know I'm going to love them. They're always a great change from dark, suspenseful and angsty romances. There are few complications, a sweet love story, insane chemistry, steamy sex scenes and always a fabulous HEA.

When Liam, a pro football player and Nina's Dad's best friend, comes to stay with her family to escape the paparazzi and a breaking scandal, he can't believe his eyes when he sees Nina after many years away. She's grown up, gorgeous and definitely checking him out.

Nina has had a crush on her Dad's best friend for a while now, but never expected anything to actually happen. When Liam comes to stay though, his appreciative eyes keep wandering over her body, he's flirty and lust is oozing from his pores.

Will Liam act on his desires and risk losing his best friend?

Standalone. No cheating. Steamy novella. HEA.

Sigh. Snore. Dad's friend comes to visit and Tits McGee opens the door. Instalust. Oh no! It's forbidden! I can't! Oh, wait. I have to! My need is too strong! Instalove. Hey, look at that, it's a novella, so Dad's okay with it. HEA. Here's a baby.
