The Game Changer Chicke Fitzgerald

The Game Changer is a business parable about innovation and business transformation, wrapping time honored principles in an engaging, fictional tale. It reveals the narrative behind a technology company founded by a game changing CEO/inventor that has reluctantly taken in funding, and nearly misses the gift of being able to grow at a much faster pace.

He and his team initially feel the pressure of investor's quarter-to- quarter profit metrics, but through a series of unusual and intertwined events, they find their entrepreneurial spirit and energy ignited again. They are empowered to change every area of the company, providing value back to their investors, and eventually to the public after their IPO. Written for anyone interested in entrepreneurship, innovation, leadership and personal growth.
