Definitive guide to the enchanted world of crystals and gems

Did you know that wearing an amulet of green jade on an interview will help get the job? Have you heard that an amethyst ring can help break bad habits and even encourage sobriety? Anyone looking for love can place two pink quartz crystals in the bedroom; you'll not be alone for long! These are just a few of the hundreds of secrets shared in this definitive guide to the enchanted world of crystals. Semi-precious stones and gems have long been known for their magic as well as their beauty. In this book of charms, readers learn everything there is to know about the powers of crystals from birthstone magic to gem divination to jewelry spells. This is a fun, entertaining, and enlightening book that will appeal to everyone who's ever worn a birthstone, kissed the ring of a lover for luck, or bought a crystal for good energy.

The Magic of Crystals and Gems is a treasure chest filled with the ancient wisdom of crystals. It is also a handy how-to filled with little-known lore along with the myth, meanings and specific magical qualities of hundreds of crystals, both common and very rare including many meteorites. Author Cerridwen Greenleaf shares secrets to how and why crystal balls work, scrying with obsidian, crystal astrology, divination, healing, psychism and connections between the stars in the sky and gems of the earth. This one-of-a-kind work on the power of crystals will help readers understand which ones are right for them and how to unlock the mystery of sacred stones. It belongs on the bookshelf of everyone interested in the magical gifts of Mother Nature.
