A Hood Legend

Victor L. Martin

A Hood Legend Victor L. Martin

Fresh out of the Marines with only five grand in his pocket, Menage is looking to make his presence and his flamboyant taste in cars and clothes, felt on the extravagant, flossed-out streets of Miami. When Menage Discovers that he has a flare for flipping stolen cars into more cash then he can handle he befriends Dwight who helps him with his operation. What Menage soon learns is that when doing shady business, shady characters lurk where you least expect them. Follow Menage as he balls outta control, outrunning the law and bullets that may bear his name.

Shanae says

I really enjoyed this book...Victor L. Martin was my introduction to urban literature and this is what really got me hooked. Martin is a fabulous writer...I can't wait to see more from him, from what I know he's only written 3 books or so. I wish there was more from him. If you like urban/street lit, then you're certain to enjoy this one thoroughly.

Black Carrie says

A Hood Legend takes you through the day-to-day life of Menage Unique Legend and his associates in the streets of Miami. I really liked the story line of the book and the twists and turns but I thought that it could have flowed much better. The problem I had with this book was that each couple of pages changed to different characters and situations without giving many details, making the beginning somewhat confusing. I also was distracted and often thrown off by the constant mention of Menage's Canary yellow Escalade ESV with Burberry seats. There were also grammatical errors that were overlooked. Overall I think A Hood Legend could have been a great story if there were more details and it was more developed.

Ezraela-Bat says

I loved this book, at first my feelings on this book is that it was going to be boring, but to my surprise it wasn't, it was like watching an action movie, it has so many twist and turns it's crazy, not to mention it also has many interesting characters, this book kept me on my toes, I was also upset that it has or is going to have a part 2, What a tease I was shocked! but nevertheless very pleased.

Yvonne Rivers says

One of the best urban lite of all time!!!!

Angel Alexander says

I loved this book
