Beck Bait

Melanie Marks

Beck Bait Melanie Marks

When the guy you thought you hated becomes the boy you can't stop thinking about (in a steamy, breathless, heart-pounding way)—and you find out HE might be feeling that way about you too (and maybe always did) you might, possibly become “Beck Bait.” Well ... if your stalker/tormentor/heart-throb is named Beck. And the whole freaking SCHOOL seems to know he likes you (if he really does).

My name is Alyssa—but Beck never calls me that. He calls me “Rocky” ... because I threw rocks at him. (To be fair, we were only eight at the time.) (And they were small rocks.) Now we're in high school. These days, I'd like to throw something else at him—me. Oh wait, everyone at school is already doing that! I'm their 'Beck Bait.' (I just want to kiss him.)

Beck Bait Details

Jenna says

Wow this book reads like it was written by a 12 year old child. The dialog and the level of writing was very low. The characters have no depth. The way the main character thinks is so dumb. This book was not for me.

Jules.Bookverse says

This story was a cute little read and perfect for a hopeless romantic like me! ;)

I love the characters chemistry and all the bonus short stories and excerpts from other books after it.

But I wish the story would be a little longer. Especially the end seemed to me a bit rushed! I would have loved to actually read about their next steps and see the character going on a date rather than just reading that they went in one sentence.

Therefore this story just gets 4 stars, because it seems to me that it could have been way more detailed and therefore have more tension built.

Margaret says

Too short

Novella style

Cute but trite

What's up with dead gf

What's the deal with her family

Blah blah blah .

Amy childerley says

Stacy says

This was fun to read, although I don't remember these characters from the other books, although I recognized the characters in this book.

Shyann Emory brooks says

?

This was a really good idea for a book it should have been longer though. I would have given 5 stars instead of 3, but the fact that it could have been an absolute favorite, but then turned into a short kinda bummed me out. It just has so much promise.

Nancy says

Cute

Summary of "Beck Bait" from the book's information page:

When the guy you thought you hated becomes the boy you can't stop thinking about (in a steamy, breathless, heart-pounding way)—and you find out HE might be feeling that way about you too (and maybe always did) you might, possibly become "Beck Bait." Well ... if your stalker/tormentor/heart-throb is named Beck. And the whole freaking SCHOOL seems to know he likes you (if he really does).

My name is Alyssa—but Beck never calls me that. He calls me "Rocky" ... because I threw rocks at him. (To be fair, we were only eight at the time.) (And they were small rocks.) Now we're in high school. These days, I'd like to throw something else at him—me. Oh wait, everyone at school is already doing that! I'm their 'Beck Bait.' (I just want to kiss him.)

The book only costs a dollar right now.

Mackenzie says

Beck Bait is a lot like the rest of Melanie Marks' s books. This one is a bit shorter though. It's was a quick read, very sweet and very indulgent. The writing is also like the rest of her books, about 70% caffeine-fueled, hyper-speed retell and 30% in the moment sweetness. Regardless, she is a fun author to read, this was a cute short story and I will likely continue reading her books...at least the ones set after middle school.

Bonus: This book also included the short story of Little Dancer. It was intriguing enough to move me to download the full length story.

Sandra Johnson says

Cute quick read

This story was adorable and romantic. A quick read about how love can be confusing if you only have one side of the story.

Amy Ross says

Finished quite abruptly, would have liked to read a little more about how their relationship turned out

Danae Vernon says

Amazing story. Absolutely loved it!! Hope more stories feature Beck and Alyssa.

I liked the storyline, but disliked how short the story was. Wished it was a bit longer. I would recommended this book to my older sister.
