## **Crayon Shinchon #1** Yoshito Usui

Famous as a Japanese anime TV show, Crayon Shin-Chan follows the daily life of a five-year-old boy whose bodily functions, offensive comments, and outrageous behavior consistently annoy his parents and land him in hot water. A national phenomenon in Japan, this shocking and hilarious comic celebrates the terrible power of destruction and indecency wielded by toddlers everywhere!

# From Reader Review Crayon Shinchon #1 for online ebook

## Ameilia says

Karakter anak2x yang sangat menggemaskan ;)

---

## Indah Threez Lestari says

Akhirnya terbit versi Elex...!!! Selama ini tidak pernah tertarik untuk beli yang versi bajakannya...  
Btw, seperti halnya seri Natalie, komik ini dilabeli Bimbingan Orangtua. Banyak hal-hal yang *don't do this at home* soalnya...^^

---

## Nyie Rombeng says

gokil,jorok,koplak,kasar tapi.....masih lucu!  
yap!crayon shinchon membuatku tertawa terpingkal-pingkal sampai nangis jika membacanya.seharian  
suntuk menjalani aktivitas langsung hilang dech suntukku jika baca komik ini!

---

## Sian says

Lucu, tapi kadang terlalu kasar. Terutama kalo dikaitkan dengan pengasuhan anak, hu...hu..segitu kasar dan  
galaknya...

---

## Alex Gonzalez says

Crayon-Shinchon is a laugh-out-loud series with the main character being just as memorable as the devilish  
Denic the Menace. Highly recommended.

---

## Sunny says

Makes me laugh out loud.

---

## Carrie says

I was worried about the M rating and potty humor, but this manga is actually pretty charming.

---

## **Hafizha\_m says**

Funny and amazing story..

It can make you laugh when you read it for the first time and start think ... "Is there any kid just like Shinchan..??"

Well if you interested in comedy, this is the book which i recommended.

Sometime it has a good advice behind the story.

---

## **Titas (I read in bed) says**

A 5 yr old boy who can never think of anything the way it should be though, who messes up things with out knowing, who always is planning something incredibly naughty: Oh come on, unless you have to deal with these in real life, how can you not love Shinchan? A cute cuddly little boy with a head like potato with a brain of blunder in it. Shinchan is the boy we always want to be if we get another shot in our childhood. It might be a disaster for the household but its fun for him right? And the loveable part is that its not as if he is devilish, he is naughty with a new meaning to it!

Delighting short stories + splashing characters + cute crayon drawings = gold!

P.S. If you hate him because you have watched the shitty cartoon series, please forget about it read the Manga.

---

## **Bete -chan says**

brutal pisan iyeu komik teh

---

## **Darin says**

So tell the truth. You love Shinchan, right? I mean, what's not to love? He's a five-year-old obsessed with, well, pretty much exactly the same thing that obsesses most guys whose ages end in the number five (15, 25, 35, you get the point): what happens under people's clothes.

OK, maybe I should back up for a second. For anyone who hasn't turned on Cartoon Network lately, Crayon Shinchan (or Crayon Shin-chan, or simply Shin-Chan) is an anime series based on the manga of the same name by Yoshito Usui. The show (and the manga) centers around the antics of five-year-old Shinnosuke Nohara, an adorable little creep who makes life hell for his poor parents (as well as anyone in the immediate vicinity). Shin-chan is always doing or saying the wrong thing at the wrong time, whether it's drawing an elephant face on his crotch (I don't really need to explain this one, do I?) or hiding in his principal's car, then threatening to claim attempted kidnapping.

Often, the anime gets you to laugh (in disbelief, if nothing else) simply at the absurdity of Shin's sheer

audacity, and the manga functions in much the same way. This inaugural volume consists of short 3-page chapters, most of which are standalone "stories, all united under the title "Mom and I Are Best Friends." Understandably, most of the hijinks here revolve around Shin torturing his poor mother, Misae, though another cycle of stories, "Kindergarten Is Paradise," begins toward the end of this volume.

The black and white artwork is crude (though there are 8 pages of color), but that crudity is very much in keeping with the vulgarity of Shin himself. A more refined style probably wouldn't make this nearly half as well.

A warning note: Crayon Shinchan may look as if it's a book about a kid drawn for a kid, but it's absolutely not. CMX clearly labels the book with a parental advisory sticker, and the advisory is warranted. Crayon Shinchan features nudity, sexual humor, and adult language. This one's decidedly NOT FOR KIDS!

#### Extras

In addition to the comics material here, there's the standard "you're-reading-this-book-the-wrong-way" page, as well as two short text features, one on the manga itself and one introducing the Nohara family.

#### Recommendation

All in all, if you're looking for a little lighthearted (but naughty) fix of Shinchan, it's hard to go too far wrong with this title. This certainly won't be to all tastes, but if it's even remotely up your alley, I'd recommend picking this one up.

Yoshito Usui

#### **Derek says**

Yep. Just about as fucked up as I was hoping. Hilarious.

---

**Rocio Reed says**

A hilarious book!! A very smart mouth perverted little 5 yr old Shin-chan and his crazy parents will keep you laughing!!!

---

**Joshua Xiao says**

Funniest manga I have ever read, and sometimes emotional and philosophical.

---

**Albert Huang says**

Banyak yang bilang saya mirip shinchan hehe. Komik ini AMAZING!
