## **Mafia Princess, Part 2** Deja King , Michelle Monay

"In this world you come in on your feet but you leave out in a coffin." The Milano Family is known to be notorious, and Semaj has

witnessed it firsthand, but when someone blows up the family car, leaving two close relatives dead, Semaj's world falls apart and she discovers the downside of a life of crime. After reuniting with her grandfather, Semaj thought her days of destruction were in her rearview mirror, but old demons have surfaced and she finds herself back on the hustle. Only this time, the stakes are much higher.

Once Semaj takes over the lucrative drug operation, she steps up and changes the rules of the Family business, but when someone goes against the grain, things get out of hand. Honor is broken and disloyalty threatens to tear the family apart, and Semaj finds herself caught in a deadly web of hidden agendas, deceit and murder.

With an enemy lurking and a mystery man in the shadows, it is up to him if Semaj lives or dies. This is the life of a Mafia Princess.

### **Melissa says**

Such a disappointment after the first book...seemed fragmented and tangential. I kept reading once I start a book, I have to finish it.

### **Rachel says**

Good sequel to Mafia Princess. Semaj comes into her own. Losing her baby she uses that grief to become the new head of the Milano organization. Quasim is still alive. Which took the story to another level. I am assuming that there will be a Part 3 because there is no way we can't find out how Semaj and Quasim get out of this situation they are about to get into with OX. Can someone kill Paris already.

AHHHHHH!!!! This book had my heart beating out of my chest!!!! The way the author began the book in present day then took us back to the very beginning to lead us back to present was nothing short of amazing!! If I could have given this book more than 5 stars I would have! Joy Deja King is undoubtedly an artist in her own right. I cannot wait to dive into part 3.

This book was better than the first. The Milano family is no joke! They absolutely play for keeps. I'm glad Qua & Semaj reconnected because they had a love like no other. I can't wait until Ox & Paris get their just due. Gio really loved his granddaughter, Semaj. He was heartbroken thinking she was dead. On to book 3.

Mafia Princess 2, the sequel to Mafia Princess by Michelle Monay, does NOT disappoint! It picks up soon after the events of part one. Semaj has once again been forced to deal with tragedy, leaving her struggling to stay afloat. When she is met with an offer she simply can't refuse, she finds herself at the head of her family's drug operation. Unbeknowst to her, enemies lurk in the shawdows, each with their own agendas and plans of revenge.

Mafia Princess 2 was a great read. Fast paced and thrilling, Michelle Monay has definitely earned a permenent spot on my list of favorite authors. Each character was well developed and felt as though they were real. The story had many twists and turns and the ending left me wanting part 3 immediately! 5 stars!
