Shadow and Steel

James A. West

Shadow and Steel James A. West

His soul demands a reckoning...

After a grueling year, the Brothers of the Crimson Shield have molded former slave, Leitos Valara, into a deadly warrior. And during that year, the Faceless One's hordes have relentlessly sought the Brotherhood and their island sanctuary. And now they have found them.

The brutal attack crushes the Brotherhood. Those who are not slaughtered outright are chained and loaded onto a slave ship—including Leitos's father. Vastly outnumbered, Leitos and the remaining Brothers mount a desperate rescue.

With hope fading, Leitos and the others give chase, setting sail into a storm as fierce and unpredictable as their future. Little does Leitos know that destiny has forced him onto a treacherous path of shadow and steel. And the Faceless One is waiting.

Matthew Lindstrom says

Another good read.

Nice twist at the end. Decent story leading up to the final clash and the new races brought a new flair to an already good story.

Bryce Wilson says

Evil is on the verge of winning...

Leitos has passed his training and is a member of the Brotherhood of the Crimson Shield and just in time to. Pirates hunt the Brothers and capture some. In an attempt to rescue them they fall prey to the soothing words of their worst enemy. It is up to the line of Kian Valara to defeat the Faceless One.

Pierre Armel says

Once again, James West defies expectations with the third tome of his Fallen quartet. After a dark fantasy story and a survival thriller, he gives us a fantasy pirate tale with this one. It reminded me of the Conan stories Robert E Howard crafted around the cimmerician pirate days. All the tropes are there: naval battle, mysterious islands with forgotten civilizations, dark secrets hidden in the forest, mighty fights etc. With the bonus of exciting characters, both old and new and some interesting backstory to the world, I really liked Shadow and Steel. A great (and shocking!) twist at the very end makes for a well crafted cliffhanger. I cannot wait to read the final chapter in this Fallen saga.
