*Yasuhiro Nightow*

## **Trigun Maximum Volume 5: Break Out** Yasuhiro Nightow

Vash the Stampede and his cohorts remain locked in a frenetic and terribly destructive battle with the remaining members of the Gung-Ho Guns, who are terribly resistant to defeat. The bitter feud promises to reveal secrets about both Vash and his mortal enemies. Just when you thought this series had reached its most feverish pitch, Yasuhiro Nightow turns up the heat in his wildly popular manga series, Trigun Maximum!

## **From Reader Review Trigun Maximum Volume 5: Break Out for online ebook**

### **Yvensong says**

We get more of the July back-story, which is interesting. It gives more depth to the Vash character. We, also, see a bit more of Wolfwood's way of thinking.

I'd really love to give this a 4-star rating, but I am still having an issue with the way the action scenes are drawn. They tend to be confusing, making them very unsatisfying. Sometimes I can see what is going on, but in most of the action scenes, it's difficult to figure out who is doing or saying what. It's a shame. I really loved the anime derived from the manga.

---

### **Sara says**

So fight scenes as mysterious as ever...

I don't know exactly what the giant-bug-things were, or what they did...  
but enjoyed it all the same, the details on July were really interesting.

---

### **Miss Ryoko says**

It's the attack of the bad guys! Still confused a bit, but I can get the gist of the story. I wonder what will happen now with the appearance of a surprise character! Ooh, exciting!

---

### **Teepet says**

Man, this series is darker than I first thought :P good though

---

### **emily\_oriley says**

Not gonna lie... I'm not all that sure what's going on T.T

---

### **Zach Sparks says**

I still have next to no idea what's going on in these. It's just become a quest to finish now. I think my main issue is that most of the action panels are so confusing and I can't tell what's going on. I didn't have the same problem with Nausicaa or Full Metal Alchemist. Ah, well, on to volume 6.

---

**Jenni Noordhoek says**

I need to give it a second readthrough because some bits didn't make sense with the action panels.
