**ZACK** Olivia Chase

**Meet The Beckett Boys. Each One Dirtier, Rougher, and Sexier Than The Next...**

**A standalone romance with a guaranteed HEA**

**ZACK**

Her lips curve in a way that has me aching to taste her.

Autumn is way too good for me.

If I were a good man, I'd drop her off at home and never see her again.

Too bad I'm not that honorable. I can't stop caressing her bare flesh.

My d\*\*k is pounding to press between those sexy lips.

But it's more than just lust between us.

Autumn is changing me in ways that surprise me, and even scare me a little.

I have my brothers to worry about, and I live in a world where I can't afford to be soft.

I have to be hard. At all times.

Autumn makes me want a different life for myself, but I know we can never work.

In the end, I will always break her beautiful heart.

**AUTUMN**

He screams sexiness. Wickedness. He's hotter than anyone I've ever met. I've never felt instantly attracted to someone this way before.

Especially someone who is clearly dangerous.

But I've never felt so alive as I have with him.

I always assumed I was a good girl, but Zack makes me feel bad. And now I realize that I'm not just the good girl my parents raised me to be.

I have a wild side, and Zack Beckett brings it out of me like nobody else.

He does things to me that no one's ever done before.

And I want more.

But then I see the other side of him.

The side that makes him do crazy things. The side that makes him feud with his cousins, fight, get into trouble with the law.

Zack doesn't seem to understand that I need a man who I can trust, who I know will do the right thing. The hard thing.

Or maybe it's me that doesn't understand.

Because Zack Beckett never pretended to be anything other than what he was.

Maybe I'm the phony after all.

And maybe I'm the one who's going to end up with a broken heart.

**Her lips are swollen—the red lipstick is still in place, as she said—and her cheeks are pink. She's heaving breaths and staring at me.**

**"You're delicious," I tell her, reining myself back in control. I can't lose myself right now. "Let's get going."**

**"I can't keep up with you," she admits with a breathless chuckle.**

**"Don't try, princess. Just enjoy the ride."**

# From Reader Review ZACK for online ebook

## Patricia Rutherford says

A lot of sleepless with the Beckett Boys ?????

---

## Jennifer says

If you read the description and want to get the Erotic story your expecting, this is it. The issues with editing are getting better as this series goes on, but the still exist in this book. Zack is exactly what you expect of his character and Autumn is your typical, somehow made it into her 20's virgin. Their story is sweet, sexy, with the twist of drama. Zack is right up my alley and I enjoyed it.

**Fast read**

I enjoyed this book the series is good. I have read all 5 so far It's a nice easy read I'm not just sure about the next one yet.

---

**Stacey Macgowan says**

Enjoyable to read!

---

**speedreader says**

My favorite so far

---

**Helen Casner says**

**Great book must read**

Wow! Another Beckett in the long line of changes made. Amazing story line and character's who reappear. LOVE this series! Love the book cover. Author is talented

---

**Claudia A. says**

**Interesting**

I feel like I've read some of these same story lines in other books but I still need to know if the outcome is different.

---

**Clorie says**

Two more to go, and they are definitely getting dirtier...

---

**Tisha says**

## **Swagger Sizzle and Sexy Sweetness**

It's not short on sexual tension and it's just as HOT as all the Beckett's before him. The book itself is on the short side and a quick read. This is how the ?series is written. That's ok, they're good. I just prefer books a bit longer. I like that each Beckett struggles with his own demons and each book winds all the Beckett's throughout the books. I'm looking forward to the next book.

---

## **Carol says**

### **Bad Boys**

This story continues with Zack Beckett trying to navigate through his feelings of anger, distrust and jealousy. This storyline deals with how dishonesty can destroy a family and lead to turmoil. In each book a Beckett boy is getting closer to the truth. I love how the chance meeting between Autumn and Zack, their instant attraction and connection, that Zack sees someone the exact opposite of who he is and the people he knows and he likes the difference. This is a sweet sensual romantic story between two opposites that fall in love with some strife and conflict in the storyline.

## **beth myrick says**

### **I can't get enough of this series**

And now we're down to three brothers. Each story line just gets me from page one and doesn't let up. I think Hudson is going to have an interesting story, but I can't wait for Hale's to be honest. Still, I'm all over these boys as soon as their books come out.

## **pamela d bryant says**

### **Great!**

I chose this rating because this is a really great book. It was captivating and intriguing it was also a little intimidating and quite a few hurt feelings. I was so glad when Zack saw the light about his dad and how conniving he was even in Paris. I was happy Zack and Autumn got their stuff together. How Zack started working for his cousin Smith and his cousins in their bar Outlaw. Great read. I recommend this book to all romance readers.

## **Margaret says**

### **Fun to read**

I have read all the books about the Beckett Boys and I have enjoyed each one. I laughed and cried while reading eAch one and look forward to reading more by this author.

## Angela says

3 - 3 1/2 stars

Ok, as much as I like this series, the repetitive storylines, as well as the sex scenes are getting to be too much. The first three were almost exactly the same except for the changes in characters and personalities, and I thought that was going to end when book #4 was quite a bit different, but I was wrong. This story is almost the same as the last one, except for the same changes as before, only this is the cousins version.

I thought that it was just me when I kept reading the sex scenes and feeling like I had already read them, but it's not me. Every single book in this series follows the exact same pattern with the male leads and sex. They use almost the exact same words, do the exact same thing in the same order. I know that they're related, but even if they had discussed it, which I highly doubt, they're not going to all say and do the exact same thing in order every time. Some are even in the same type of place. And for cousins who have been rivals for a very long time, this would be virtually impossible. Besides the fact that it's annoying, it takes away from the scenes when it's the same thing over and over.

I like the sub-plot of how they're trying to obtain the bar from their cousins, the romance is good as well, but the repetitions are making it difficult to continue with the series, especially knowing that there's at least 3 more books to go. I can only hope that things will change in the future books.

I would recommend this book, series, and author.
