Flaming Arrow Cassie Edwards

A beautiful young woman rides off into the wilderness alone, where she unexpectedly comes face to face with Flaming Arrow--an Indian warrior who has every reason to hate her. Her kind has driven his people from their home, and the last thing he needs is a woman whose beauty dazzles him, and whose awakening passion robs him of his reason. But a force greater than both of them has now brought them together and will ultimately transform both their lives.

Sara Makris says

It was ok. I wouldn't give it anywhere near 5 stars. I thought the love story develops too quickly. I didn't feel deeply for the two characters and I thought they weren't believable at all.
