Piercing A Dom's Heart

Holly S. Roberts

Piercing A Dom's Heart Holly S. Roberts

Brandon Edward Sterling IV inherits his father's corporation before he's ready to settle down. He works grueling hours and follows the accepted path of society's socially elite. After the end of his engagement with an aristocratic debutante, Bran gives into his nontraditional sexual fantasies found at the El Diablo BDSM Club.

Damian, the owner of El Diablo asks his friend Bran to keep an eye on Damian's visiting pierced-out Goth chick sister Willow. She's spirited and curious, has messy braided hair, piercings in places that drive a Dom wild, and she's ready to explore her submissive cravings. She's also unacceptable in the wealthy world of Wall Street's rich and famous.

But, can Willow Pierce a Dom's Heart and prove that acceptability isn't required in the bedroom?

Piercing a Dom's Heart is book II in the Club El Diablo Series but can also be read as a stand alone. This novella is 22,000 words.

Warning: This book contains graphic sex, strong language, content that may be objectionable to some but perfect for others. BDSM, bondage, voyeurism, genital piercing and luscious male bodies at work.

From Reader Review Piercing A Dom's Heart for online ebook

Lori Levy says

I loved the dialogue between Brandon and Willow. So well thought out and true to life. The person that really steal the story is Brandon's secretary. She added such laughter to the story and she almost becomes another main character. The gang is all here from the first book and makes you feel at home from the beginning of the book. Watching the Club and members through the eyes of the characters make this setting realistic and cannot wait to read more.

Susan Ferguson says

This was a good story. Full of sexy stuff. Just would have liked it to be a bit longer.

Deb B says

super fast fun read ... read this series a long time ago and it stayed with me so decided to fit it in for a re-read now. just as much fun the second time round

Carol Hall says

Continuing the Club El Diablo series. Start at the beginning and read all of them. The first one is free and if you're not sold on it, then nothing lost. I bet you'll read on.

Melanie Adkins says

Brandon Sterling is a wealthy business man who is struggling to combine his vanilla lifestyle and his D/s desires. He takes a vacation at the urging of his secretary and goes to his friends club. He needs this break. His first day there he meets Willow, his buddies sister. She immediately stirs something in him. It's not long before they realize there is more between them than either bargained for.

This book will heat up your bedroom like you never imagined. Terrific characters and a solid plot will keep you turning pages. Share with your significant other and keep the heat going. This is a book I'd recommend to anyone.

I found no issues in this one.

I gave this one 5 cheers out of 5 because it's so well written.

Rachael says

I do enjoy this series....my only complaint is that they are too short. Develop the characters more and expand on the story. More could have flushed out between Bran and Willow. Both had tangled pasts that could have been explored.

That being said.... You get to meet Damien's sister Willow. She was touched on in the first book as the possibility of multiple brothers and sisters. It did not come out and say that he had already found her a few years before.

*** Spoiler Alert *****

Bran an old friend from college visits Damien and runs smack dab into Willow and sparks fly. Like I said it should have been developed more. After their BRIEF struggles and his introduction of BDSM to her(even though she was working at her brother's club)they hit a few hiccups and then low and behold they get married. I do love Bran's assistant. She is a hoot!!!

Short lunchtime read.

Karsyn says

I love this club! I wanna go!!

Kyjuliano says

It was wonderful to meet up with Damian and Lydia again and all the kinky people at El Diablo. Holly has again written a strong female character in search of herself and a Dom who thinks he's figured out just what he needs in a D/s relationship. Poor Bran, he might have thought he was the teacher when he chose to work with Willow, but had a lesson or two to learn and Willow, with a little help from Lydia was just the woman to teach him. Damian made me laugh and laugh again as he tried to deal with his little sister and her exploration into the world of BDSM.

Jenny was awesome, I hope we get to spend more time with her in the future.

KnottyGirl Reviews says

Hey Ladies, I have a problem. It's called oneclickitis. It's where I see a book and I buy it, and that means I have a whole bunch of books (quadruple digits) that I haven't read yet. Such was the case of Holly S. Roberts Club El Diablo series. But hey, for me, it's like getting to discover the joy of a new series all over again.

And joyful it was, so excited I was to read this, that I abandoned my other book, then promptly one-clicked the rest of the books that I was missing, plus another series. (I am soooo bad.) Piercing A Dom's Heart is the second book in the Club Diablo series.

Brandon Sterling is a Dom who is visiting his friend Damian at Club El Diablo. (You can read all about Damian and his Domme wife, Lydia in Book 1: One Dom at a time.)

When Bran arrives at the club, Damian is breaking up a misunderstanding between another Dom, and his goth sister, Willow. Bran looks on in amusement until she turns her claws on him. Damian asks Bran to keep an eye, and whatever else he wants, on his sister while he's in town. But Willow is firmly against BDSM, citing it as abuse. She runs from Bran until he finally catches her. But does he keep her? You need to get the book to find out dear reader, and you will be so happy you did.

The writing here is fantastic! Boy, am I glad I found my own treasure trove, and what's even better is that there are more books in the series to read. I've just become a lifelong fan of Holly S Roberts!

Jen says

Fun series. I read them out of order but overreach one. But I think Damon and Lydia will always be my favorite in this series :)

This book was about Bran and Willow. Damon's best friend and his sister.

There wasn't much details about how Damon found his half sister but she came to him in Huston looking for a job. she wanted to be closer to her brother. The only family that cared about her.

The only problem was Willow was disturbed by the BDSM scenes. which made waitressing there a little difficult.

Bran is over stressed work and needs a break. taking a week off to go play at the club seemed like the perfect way to unwind.

When Bran first ran into Willow, he was walking with Damon. She was refusing to sub for another Dom.

Bran was intrigued by how beautiful this goth checkpoints. but he was thrown off by her piercings. everywhere!

Damon didn't want to see his sister exposed but Bran was right there telling him it's not up to him how she lives.

Willow continues to gripe about the "abuse" going on in the club. And Bran is determined to change her mind.

Cute story. I'm in love with Jenny. Brian's sassy assistant. Wonder if we'll see her again :)

Kelly *that's me* says

This series keeps getting better and better! Reading about Willow and Bran made me smile. The way Damian acted with his sister at the club just cracked me up.

I love the humor, and the characters in each book and I can't wait to read the next book in the series.

Lesli says

Love this book! It was hot and also humor. A must read!

Deb B says

this is very much a fun series. bits of humor, strongly erotic, interesting characters. very fast paced. short quick read

April says

This is the second book in the Club El Diablo series and delivers on th promise of th first book.

Willow is a great character and shows great depth an complexity. She is searching for acceptance whole rebelling against the norm. Loved her sassy attitude!

Bran is the usual playboy billionaire Dom. It was interesting to have the narrative from his side but I would have liked Willie's thoughts too.

Loads of steam both in the Club and in the bedroom! There were Dom pretty hot BDSM scenes that really had me imagination revved!

I am really enjoying th touches of humor in the series an loving the storytelling. I adored that it ended not on the typical "the end" but with the delightfully hopeful words "the beginning"!

Disclosure: This ebook was provided to me free of charge through for the sole purpose of an honest review. All thoughts, comments, and ratings are my own.

Linda says

Brandon returns to the El Diablo club after a years hiatus, filled with work and an engagement that fell through, and he´s eager to flex his Dom.

Too bad that the first sub he gets his sights on is his best friend´s younger sister. He shouldn´t even think

about her, but he just can't resist.

Willow persuaded her brother to give her a job at his club, but she's not really into this BDSM.. Or is she?

Big bad Dom Brandon makes her feel things she never expected..

Quick read, smutty fluff and a Dom knowing who he wants.
