Sheikha's Determined Police Officer Leslie North

With her friends in happy relationships and two insanely overprotective cousins, Aaliyah Botros is beginning to wonder if she'll ever get her chance at love.

So she can hardly believe it when she bumps into a former flame while on a road trip. Joseph is just as charming as ever and the years have been good to him. Very good. He's even more handsome, muscular and disarming than when they were young. But despite the connection she still feels, Aaliyah knows her family will never approve.

Joseph can't believe his luck running into Aaliyah after all this time. Truthfully, he never stopped thinking about her after high school. Now she's even more beautiful and fierce as a 25-year-old woman. But while he may be a respected police officer in his community, he knows it won't be so easy to earn the respect of the Botros family.

All it takes is one night to reignite the passion between Aaliyah and Joseph, but with her strict family and their cultural differences in the way, is their relationship doomed from the start?

how delightful!

I love Leslie North and had read the first book a while back...I am so happy that I was able to read all four books together. I absolutely love this world that Ms. North has created from Tariq to Amir and all the beautiful and strong women...thank you for sharing your talent of storytelling and can't wait for more!!

Sheikha's Determined Police Officer (The Botros Brothers Series Book 4)

I love reading Leslie North. The one pet peeve that I have is that I usually start reading her books in the middle or at the end of a series. For this reason I always end of playing catch up with her books. Her stories can be read as stand alone and still be just as enjoyable. I just prefer to read the whole series. Sheikha's Determined Police Officer is book 4 in the Botros Brothers series. The main characters were high school sweethearts who drifted apart in their youth. They meet up again unexpectedly and reconnect again. The obstacle is she is the cousin of sheikh's and he is a police officer. Enjoyed the story. Can't wait to read the whole series.

out of all 4 books i think this one has to be my favorite one. I love how she stands up to her Aunt and Uncle and how he fights for her and is respectful of her family. Great book. waiting to see if there is another one.

Great to read Ali's story. Would have liked to know more about Joseph. Loved seeing more of Sara and Tariq and what an ending! Hope there more to come!
