Shibari

Encounter the modern form of BDSM, learn about the different rope techniques, how to enjoy submission and first hand testimonial from a professional shibari model.

Are you looking for a tool to sparkle up your sex life? Or Are you desperate to find a something that will challenge you and your spouse yet bond you together like never before? Or maybe you need something new and enjoyable with your spouse? Well this book is what you have been looking for, whether you are a beginner or curious on what shibari is, this is the book for you! Brace yourself for a thrill of a life time.

Shibari edition 2 book is a continuation of the first shibari book, which was known as the complete edition, it incorporated more of techniques and instructions to beginners but due to new improvisations and technology by developing riggers and models plus the constant technology, there was a need to come up with a modernized book that has testimonials and brief descriptions of each technique, the book has now been revised to the second edition with basic techniques that don't require overstretching or some intense flexibility measures, enjoy more juicer and erotic techniques with testimonial from one of the best shibari models.

Here are some of the key areas included in the book:

Introduction to shibari Characteristics of the rigger and the models Types of ropes to use in bondage

Different shibari techniques Setting up a shibari stage First han-d testimonial from a world class shibari model
