**The Holiday Nanny** Lois Richer

Workaholic single father Wade Abbot is away on business, as usual, when he receives a heart-tugging video from his four-year-old. The little girl hopes he'll come home for Christmas—and see her in the holiday pageant. With his harrowing past, Wade has always doubted his ability to be a good father, but he heads home to Arizona, determined to try. His daughter's loving new nanny, Connie Ladden, works overtime to help turn him into the father he longs to be. And with some help from his little girl, Wade just might turn his holiday nanny into a permanent wife and mother.

# From Reader Review The Holiday Nanny for online ebook

## Shirley Hester says

A tear jerker. Very good.

---

## Pianosue says

Good story.

---

## Melody says

The title captured me since I have been a nanny for much of my life, it was must buy just from the name. :) I am glad the name had such an appeal to me, for it was a story I very much needed. I also suffer trust issues, I completely understood everything Wade was feeling. Silver was so real to me, I am in love with that little girl. :) I love all things Christmas too, so it was a book that certainly warmed my heart and left me smiling...

---

## Brooke (i blog 4 books) says

3.5 stars

Overall a really fun read! There was a bit too much "back and forth" between the main two characters and the end wrapped up a little quick for my taste. But I still enjoyed the book and look forward to the rest of the series.

---

## Lydia says

All in all a good read. Main characters were more developed than I expected!!! This saved the story from being just another predictable story set at Christmas. Ending was sweet and appropriate!

---

## Mistyblue says

This book was exactly what I was hoping for and expecting. I enjoyed the side story with the missing father- it added a depth to the book that was unexpected and appreciated. I would recommend this book to anyone looking for a light, enjoyable read.

### **Jennifer says**

Very good story line! I love the characters. Especially Silver. You just fall in love with the little girl that just wants her Daddy's love! Leave it to the Nanny to bring them together and learn a lesson in the process herself. The side stories of Connie's search for her real dad, and Wade having to deal with the death of his little brother and dad, as well as his wife make the story an interesting read. Connie is someone you root for the whole time. The love she has received from her foster family has molded her into the woman she is today, but she really is a lost little girl longing for her real father. The lessons of forgiveness and letting God be in control are something we can all learn

---

### **Laurel says**

This is a delightful Christmas-themed romance. A single father who's sworn off all forms of love, and a nanny who finds it difficult to trust men. Mix into that a five-year-old darling called Silver and a bitter grandmother, and one couldn't ask for a better list of ingredients for a season of calamities and misunderstandings. Through it all runs the thread of faith, love and grace as the characters struggle to place their lives in God's hands.

I really enjoyed this book, and would gladly pick it up again for a reread.

---

### **Julie says**

Very good book!

---

### **Jeanette says**

This was a good romance.

---

### **Chevonese Brown says**

great
