## **The Nobleman's Revenge** Cassandra Rose Clarke

We are absolutely over the moon to announce that Strange Chemistry has signed up Cassandra Rose Clarke for another two novels, set in the same world as The Assassin's Curse/The Pirate's Wish duology. The deal was done between Amanda Rutter and Stacia Decker of the Donald Maass Literary Agency.

The two novels will be called The Wizard's Promise and The Nobleman's Revenge, with the first one landing mid-2014." <http://strangechemistrybooks.com/2013...>

NOTE: After the Strange Chemistry shutdown it is unclear when and how the book will be released.

The Wizard's Promise suffers the same fate as the Assassin's Curse books, and its sequel, The Nobleman's Revenge, will not be released. Again, contractual shenanigans and all that, but I'm working out ways to get both books out into the world. (source)
