## **The Secret in the Woods** Lois Gladys Leppard

Some mysteries are better left alone. That's what Mandie's best friend, Joe, says when strange things begin happening in the woods that surround their homes. Unexplained noises, spooky shadows, and weird voices all convince Joe that they should stay away. But Mandie won't have any of that! She declares there's no mystery too scary to solve. At least, there hasn't been until now. . . .

### **Margie says**

An okay preteen story of a 100 pages. My book wasn't entirely all there. Pages 45 to 75 missing and pages 75 to 100 repeated twice. Still was able to figure out the Secret in the Woods.

### **Adam says**

My school needs a better collection of books to use for guided reading groups...
