## To Summon A Demon Lisa Alder

To gain revenge, she summons a Demon...and loses her heart.

After Lili is viciously attacked by the Fae, she wants revenge. Who better to help her than the sworn enemies of the Fae, Demons. So she uses an ancient sex ritual to summon a Demon lover and offers her body in exchange for his aid.

Prince Gaap, commander of the Water Elemental Demons, is curiously drawn to the mysterious Lili. Though her summons is clearly a trap, an attempt by the Fae to infiltrate and harm the Demons, he cannot resist the seductive lure of her battered soul.

Even forewarned, Lili is helpless against Gaap's sensual attraction and loses her heart to her Demon lover.

Warning: This novella contains explicit sex, voyeurism, light bondage, self-pleasuring, sex on a beach, and smokin' hot Demon sex

## From Reader Review To Summon A Demon for online ebook

### **Debbie Chittenden says**

A very hot and steamy book with love, hate, fear, and violence. This new world dominated by Fae and Demons is truly unnerving. One would think the Fae are good and on the side of good, but honestly, I'm quite fond of the "demons"! They are the GOOD guys and are taking a bad rap because of the vile and vicious Fae.

What a great second book in this series! I can't wait to read book 3!

#### **BRIEF SUMMARY**

After losing everything and the man she loves ten years prior, Lili was attacked by Faes. Wanting revenge Lili knows the Faes and Demons are at war with each other and decides to use a sex ritual to summon a demon to help her seek revenge. She summons Prince Gaap, Demon of water elements. Gaap thinks her summons is a trick and is wary of Lili.

#### **THOUGHTS**

This is book 2 in the Demons Unleashed Erotic Novellas stories and I enjoyed book 2 a little better than book 1. Book 1 was a nice read but I enjoyed the plot in book 2. In the beginning certain things that were said seems to be repeated a lot for me but that was ok with me. Gaap and Lili's chemistry was definitely good and kept my interest. Towards the end, it was an interesting climax to the story when things started to unfold. Zepar, Demon of Seduction who also appeared in book 1, again teased me just reading about him. Being the Demon of Seduction I am eager to read more about him and see where the author takes his character. I also look forward to Leraye, Demon of Battle he was interesting character as well.

You will like this book if you like your paranormal with good erotica and a bit of action and plot; however, I would say this book was extremely erotic. It contains explicit sex and language.

Storyline: FAIR

Intimacy: D.R.I.P / Don't Read In Public (GOOD)

Enjoyment: GOOD

## **Marianne says**

Not as good as the first. Her repeatedly clenching womb irritated me, and I kept hoping the author would expand upon the worldbuilding. Unfortunately, that didn't happen.

BTW: When will these demons start acting demonic instead of just giving one another titles? Still, Gaap gets his girl. A couple of hot orgasms will obviously make you abandon all thoughts of revenge;-) As it turns out: When you summon a demon, he really comes. And so do you;-) A weak 3★.

Lisa Alder is a good writer, the story has flow and a decent plot.

Lili wants revenge and Gaap is the Prince of the Demons and he oozes sex....and the sex does happen!

It has been a while since I read book one and I had forgotten about the morphing ability of his tongue and his junk....its a little too over the top for me.

The ending left a little something to be desired. It wasn't a bad read, just meh...same as book one.

FYI-Demon's aren't the type of thing I like to read about, but I am doing a challenge to required it, so I picked this one.

## **Ana says**

More complex than the previous one and therefore so much better. These characters seemed to have a new depth to them that the first couple didn't. I also relinquished the opportunity to have some more action. The first was kind of disappointing in that respect. Overall this novel gave a more thorough feeling. It was more action-filled, more emotional and more complete.

## **Gab says**

solid 3.5 stars - mystery, twists. I read this directly after The Demon's Bargain which dealt with a traumatised woman learning to live/love again which was pretty hard to follow for

**Teshai says**

After 10 years..she lost her love and for some reason went to the fae to seek revenge..why?! I didn't catch that while reading.

This one was short and sweet and right to the point. Oh how I wish humans had that tongue ability. I still get creeped out that they always choose to have sex with their brethren watching..either cloaked or in plain view. Lol

Loved this book. Can't wait for the next in the series, when Lisa Alder will tell Zepar's story. I will look forward to the Seduction demons story, and how he goes about finding true love.

---

**Dani Hodge says**

Really enjoyed this read. It had everything one needs on a book! love,sex betrayal, with a happy ending. I cant want to read Zepar's book next.

---

**Anya Champagne says****Good story**

But one complaint..."It's a trap!" Over and over again. I kept hearing it in Admiral Ackbar's voice. Lol.

Seriously though, a great continuation of the Demons Unleashed series. Lili is out for revenge and summons Gaap for help. She finds hot steamy love instead.

**Tee says**

Lisa Alder is really becoming one of my favorite authors her short stories are really really good. although my favorite so far is the first one The Demon's Bargain To summon a Demon was just as good and I can't wait to buy the next one I really hope it's Zepar's book!!! :-D

**Peggy says**

This one didn't read as sensuous/erotic as the previous story, but it is very "hot" nonetheless.

I wanted to know more about Lili's Irish heritage--it seemed important/relevant at the time, but the author did not elaborate more. The name "Brian" was mentioned numerous times, and he was still the love of Lili's life even after she met and had sex with Gaap. Also, the Fae's wiles and manipulations can be explored further to make this universe more substantial. Now with only the protagonists holding up the "erotic" part, it felt somewhat lacking.

3?

(And on to the next...Zepar's story should be interesting, I hope?)

### **Tressa says**

I wasn't sure about Lili's motivation in **To Summon a Demon**.

### **Heather book whore & shifter slut extrordinaire says**

Full review to come but even better (which I didn't think possible) than book #1. My favorite of the three which is surprising cause #3 is a menage and I LOVE MENAGE! This is a great book and definitely rounds out the series as far as what was "missing" from book #1.
