When We Were Magic Sarah Gailey

A teen girl accidentally kills a classmate on prom night with her magic, and she and her best friends must try to use their powers to bring him back or face the consequences. Graduation is coming up fast, and the girls will have to navigate a complicated tangle of friendship, love, lust... and now, thanks to Alexis' mistake, murder.

ellie says

queer witches + me = match made in heaven

so all we know is that this book has:

- MAGIC
- UNSTOPPABLE FEMALE FRIENDSHIP
- MAKEUP
- MURDER
- PARENTS WHO TRY THEIR BEST
- SEX MISHAPS
- IT! IS! GAAAAAAAAYYYYY
- my ENTIRE FREAKING HEART ALREADY i demand a copy @ 20gayteen please...

side note: you have no idea how fuckin happy i am right now. all ive ever wanted was a unstoppable girl gang who kiss each other sometimes but are unashamedly themselves. GOD IM SO EXCITED!!

Melanie says

QUEER WITCHES?

anna (readingpeaches) says

i trust sarah w my gay life & this sounds delightful

Ashlee » Library In The Country says

PLEASE be like The Craft.

Elise (TheBookishActress) says

"in which a group of high school girls face up to the consequences of a disastrous magical accident resulting in a dead boy on prom night" and also there are girl friendships and gay witches. and also I love this author's short fiction. hm. yes?

Rachael says

simon pulse if you're reading this I will give you my future first-born child for an arc
