## **Caught Up Luvin' A Beast 2 Tina J**

Did Hurricane violate Shaniece and was Reggie shooting him justified? These are the questions running through everyone's mind, but once the truth is revealed, no one is safe. The person who committed the heinous act is out there planning another attack, but not on Shaniece.

Promise has had enough of the beast that she'd grown to love. No matter what she does, it isn't good enough for him in her eyes. However, the two of them can't stay away from each other. Sydney has become obsessed with Hurricane and will continue doing what she feels is necessary to win him back. Will Promise give up the fight for the man she truly loves or does she take a step back and give Sydney what she wants the most; Hurricane?

Shaniece is still dealing with her ordeal and Reggie has been there every step of the way. Unfortunately, him shooting who he believes was responsible didn't go unnoticed, and he will suffer the consequences.

Arnold has finally decided to settle down with a woman he thought could have his kids and be his future wife. Until he finds out that she isn't all that he thought and has to choose if she's worth fighting for.

#### **Loved it want MORE!!!**

OMGGGGGGGGGGGGGGGG so ready for part 3. I'm going to need Promise and Hurricane to get it together cause they know they want to be together they just stubborn. I don't agree with what Promise and Tommy did cause I feel like it's going to backfire but I guess she said she had to get her rocks off some type of way lol. I swear Hurricane only attracts crazy women. I'm dying to know who pulled the gun on Promise. I feel as though Stella should have told Arnold the first time Collin came to her job and kissed her and took a picture because none of this would be happening right now. Tina J never disappoints this book was excellent great job.

#### **Another great read**

Collin needs to be dealt with asap. Hurricane needs to get some act right. Judy is a dead beat. This is. One wild book. Its full of flawed characters. It is action packed and straight to the point. Good job

### **Jeanida Luckie-Weatherall says**

The drama in this book picked up right where the last installment left off and it was something else. Loving the series and these characters. Moved at a steady flow and exciting with so many twists and turns. Ready to move on to PT.3 to see what's next. Another great read Tina J

### **Umeki says**

#### **Wow**

The ladies have some drama surrounding them everybody want to bring harm to them. They have some good men but they need to get it together.

---

**Taz Will says**

Annoying read, the author tried too hard to wait out the big reveal on who the bad guy was. The ending of the first one was the only reason to really follow along with this so for nothing to come out of that until way through this one, you lose the excitement. The way Hurricane was doing these women was horrible and Promise was eating it up.

Again, nothing is cute or romantic about domestic violence, abuse is still abuse and Promise was the weakest of them all with all that he put her through. Not in a hurry to read the next one but I know if I don't I won't get back to this at all, maybe but...

**Rhian Elliott says****New Favorite**

Though it kept me mad, it was in a good way. This a great series and I can't wait to see what's to come. Promise a silly girl!! Smh!!

---

**Shana Carter says****Drama**

I know damn well Stella's ass bet not have known her nigga raped Shaniece. Ugh then somebody put a gun to Promise's head but I bet it was Hurricane. She was wrong as hell for joking up with Tommie's ass.

**Twigi718 says****The suspense is killer**

I love these characters. Hurricane is that dude and his boys are always on point. Hopefully they can get rid of the ppl causing drama and havoc so they can be happy with their women.

Happy reading

This book is soooo good. I hope everyone is okay and Collin, Judy, Sydney get what's coming to them. Please let them believe that Stella had nothing to do with everything.
