Maid-sama! Vol. 17 Hiro Fujiwara

Misakis Leben steht gerade Kopf: Usui hat die Schule gewechselt, und nach Jahren hat sie ihren Vater mal wieder gesehen ... Dann lässt sich endlich mal wieder Aoi im Maid Latte blicken, aber der ist tief deprimiert. Auch Usui ist schlecht gelaunt, weil er so wenig Zeit mit Misaki alleine verbringen kann. Wie soll das nur weitergehen?!

Mi corazón vino y fue; murió y revivió; se hizo y se deshizo... Pasaron muchísimas cosas por lo que ya no sé ni qué es lo que quiero decir. El reencuentro ... Pff una gran parte de mí que fuera 100% drama para ver a todos los personajes con el corazón roto, pero me alegro que no fuera así, en verdad me encanta ver el camino que ha llevado la historia ¡y no puedo creer que solamente falte 1 tomo para acabar con esto! Desde que supe sobre Maid Sama ha tenido un lugar muy especial en mí y me cuesta aceptar que ya es momento de finalizar TnT Ha sido una historia con personajes entrañables en situaciones difíciles, de drama, de romance pero que tarde o temprano todos aprenden a lidiar con sus problemas y se esfuerzan por ser mejores.

No quisiera despedirme de esta historia que me ha acompañado desde mi infancia (siento como si no quisiera cerrar ese ciclo) pero definitivamente será algo que valga la pena recordar.

Gracias a Hiro Fujiwara y a todo el equipo que estuvo casi 10 años trabajando en el manga.

I can't believe that I only have one more left in this series! I don't want to be done yet! I love tear series. ♥?♥?♥??. I also am really liking Tora. Don't get me wrong though, I'm a full fledged Usui shipper.

Danyka says

Loved the manga, and it's anime.

I actually read the manga, and watched it's anime. Both are awesome.

Takumi is can be very sly when he wants to be.

This couple is literally killing me with cuteness and I can't get over it. One of the best couplings I have read in a while.

Series Review: Maid-sama! Is a funny and entertaining manga that I thoroughly enjoyed. The characters were great and carried the manga through when the plot got a bit dull. The plot itself was entertaining. I definitely recommend giving this manga a try.

I can't believe I am almost finished this series! I have one more volume to go and I am done this series, it feels like it's been so long! I love everything about this series and I don't know what I will do when I finish reading this. I feel like I am reading slower because I want to be with these characters for a little longer because I don't want to leave!

That's exactly the way it should be. Doing only unexpected things, otherwise, I'll lose my reputation as a perverted outer-space human.

This is about a girl named Misaki who is the school president of Seika High. She is working as a maid in a cafe but it is all a secret. Up until Usui, the most popular guy from her school, discovers this secret. Ever since then, he hasn't left her side, watching over her. Slowly the two characters learn to open up to each other.

Misaki is an awesome character, she just keeps getting stronger and stronger. I am so proud and happy for her. I just love her character so much, so many people fall in love with her and I don't blame them. She is cute and strong, a unique person who fights for what she believes in. Usui is another amazing character who has a confusing past. He is so protective and nice, I love his character! His is hilarious too make makes me laugh so hard!

The side characters are all awesome, Yukimaru is so funny. Shintani is such a nice, supportive character, I hope he finds a person that will love him. Suzana is also another amazing character that I love. President Igorzomi or something like that is a great character. I mean, I want him to back off of Misaki but his character is interesting. He finds everything interesting and I find him interesting. :)

The story just keeps getting better and better. Every page I flip, the more crazier the events get. But it is so much fun to read! I love reading and getting surprised at all of the events. Every single time the volume ends, it ends in a big cliff hanger. Good thing all of the volumes are released!

I highly recommend this to everyone who wants to read manga or has already read manga. I also recommend this to anyone who has watched the anime and want more of the characters. This is exactly what you need!

J'ai mis du temps pour enfin lire les deux tomes de cette série qui me manquaient.
J'ai pris plaisir à retrouver Misaki, Takumi et les autres. On sent que c'est la fin malgré le déroulement du scénario et vu que je n'aime pas les histoires qui s'étire sur trop de volume, j'ai été ravie.
Les graphismes sont restés les mêmes, il n'y a pas eu de bâclage juste parce que c'est la fin. J'ai passé une bonne après-midi avec des personnages qui mine de rien m'avaient manqué.
Bref, j'ai aimé cette série du début à la fin.

Jsem tak ráda, že jsem si to znovu přečetla! Tohle je naprosto brilantní dílo! <3 A to je i vidět na tom, kolik jsem času u této série strávila. A to nejen manga podobně. Jako anime jsem to snad viděla milionkrát a ani za tu dobu mě to nikdy neomrzelo. I když mám samozřejmě? části, které zase tak úplně? ráda nemám, ale ty by se daly spočítat na prstech jedné ruky.

Kresba vypadala ze začátku úplně? otěsně?, naštěstí ze to od druhého volumka začalo zlepšovat a od pátého volumka začala vypadat opravdu překrásně. A hrozně se mi líbily ty zjednodušené postavičky. Ty dokonce vypadaly poměrně? dobře již od prvního volumka.

Misaki jsem si hrozně? moc oblíbila. Byla milá, kurážná, chytrá, dokázala přiznat vlastní chybu, upřímná ve všech ohledech a hodně? moc silná. A přitom měla i nějaké slabiny, které si uměla přiznat. Misaki je prostě úžasná. <3 Až na tu slepotu ohledně? lásky. Ale to má snad každá druhá hlavní hrdinka, takže to ani moc nevadí. Taktéž se mi líbila její obětavost pro druhé a to, že každého dokázala motivovat a zamýšlet se nad sebou.

Misaki společně? s Usuiem byli hrozně? moc slušoucí? pár. Hlavně? později, když si už Misaky přiznala své pocity k Usuiovi. Hrozně? se mi líbily ty momenty, kdy se? uervenal i Usui, to bylo tak sladké. <3

☹️ Hodně? mě? mrzelo, že se tam neobjevovalo více scén s Igarashim Torou. Scény s ním jsem naprosto milovala a mohla bych je?íst stále dokola. Ke všemu zbožuji, když má jakýkoliv charakter ten jeden ostrý zoubek, který je stále vidět. <3 Vážně? byla škoda, že se některé události s ním nemohly protáhnout. :(Dalším mým oblíbeným charakterem byl Aoi. Musím říct, že jsem ho litovala za to, že s ním hold Misaki nikdy nebudu, chudák?ek malý. Ta jeho láska k ní byla opravdu sladká. Když o tom tak přemýšlím, tak jsem se skoro po?ád musela culit a nic mi nemohlo zkazit náladu. :D

Příběh byl sladký, skvělý a já si ho prostě? užila. Nemám vyloženo? nic, co bych tomu mohla vytknout, maximálně? to, že bych chtěla, aby se tam některé mé oblíbené postavy objevily vícekrát, ale to, že se tam zas tak často neobjevovaly, neubíralo na kvalitě? příběhu.

Akorát jsem si prostě? nemohla oblíbit všechny postavy, což mě? trochu mrzelo. Jako to by mi ani zas tak nevadilo, ale prostě? tu bylo až moc postav, ke kterým jsem měla neutrální vztah.

Obálky vypadají dobře a hned když se na ni mrknete, tak víte, že na vás rozhodně? čeká roztomilý příběh.
