## Siobhan says

Ah, W.I.T.C.H. So much of my childhood was spend obsessing over the series. The books. The comics. The cartoon. The merchandise. You name it I was into it.

So why only the three stars if I loved it so much?

Well as time went by, I grew disinterested in the series. I went along with it mainly to see how it ended. I simply wanted to know what the final outcome was.

Surely that is not enough to merit three stars? You loved it!

I did, but that was because I was a pre-teen with very low expectations. This came before my vampire-loving period, so you can imagine what my standard was like. Don't get me wrong, they're not bad books – they're simply not something I can go back to now that I'm older.

Thoroughly enjoyable at the time, but not quite so much now.

Beach party!

## Sekai Lyles says

I like this book because of all of the action. A fun, relaxed trip to the beach takes an exciting turn into something, well, not so relaxed for Will, Irma, Taranee, Cornelia and Hay Lin. They are the guardians of the veil, and they created the name, W.I.T.C.H. using the initials of each girl's name. All W.I.T.C.H. books are amazingly awesome and great. But in this book, we meet Nerissa, and the introduction of her character gives the book even more action. There is nothing I didn't like about this book.

I used to like these series. Now, I don't think they're so good anymore. I got up to number 12 or something like that, and they've gone up to #26 or something... and they're still coming out!! I'm not really interested into them anymore, but I used to be.

Moje dětství ve světě Witch. Na tyto strážkyně nezapomenu, provázeli mě celým dětstvím a já jsem do nich byla úplně "zažraná". Will, Irma, Taranee, Cornelia a Hay Lin, všechny jsem je milovala.

Nesmím zapomenout ani na Elyon, i když udělala pár nesprávných rozhodnutí, samozřejmě i další důležité postavy : Věštkyně, Caleba, Joela, Orube, Cedrika, Matta, Luka, Erica, babičku Hay Lin....

Rozhodně to byla má nejoblíbenější dětská série, ať už komixy nebo seriál. Doporučuji všem mladým slehnám. ;)

[ I especially thought it was funny that Will got a text from Matt when they were trying to hide (hide spoiler)]

## **Lauren says**

I loved this series! All of the different girls had their own individual personalities that made the series more enjoyable to read. Also, of course the cool magical powers was a plus. I loved the character relationships and adventures the girls got themselves into.
