Stuck On Stupid 3: My New Flame Apryl Cox

The couples we love are back with more drama and twists and turns.

After the death of Desmond, Jazzie has released him and all of her past hurts—or so she thought, until an unexpected situation connects them together. Can she ever be free of him, or will he still haunt her—even after death? Jazzie battles with the decision to move on with her life, but should she wait on the man who used to love all of her, or welcome a new flame?

Maine is still trying to cope with the hurt of Jazzie's betrayal and finds himself in a different bed that leads to ugly situations. Can he find someone to take Jazzie's place or will he settle down with Hollywood?

Hollywood never expected to fall in love with Maine but she did, and now she wants the same from him. She feels he's overly stuck on stupid in his feelings for Jazzie, and it makes her sick to her stomach. Can she make him see that she is all the flame he needs?

Tori and Truth's love for each other is stronger than ever but is Tori willing to seek help so she give him the little girl he wants?

Eric and Trinity are back in Tampa for good, living under the same roof. Has Trinity matured enough to make their relationship work, or will she send Eric out to look for a new flame?

The girls are taking Hot Nasty on a roller-coaster ride with all the drama in their lives, but there is some good in it. At least he finds himself talking to the Lord more often—even if he's only asking why He placed him in a circle with a bunch of stuck on stupid fools. Can he live through the stress?

The whole crew is back with some new and interesting characters. Just when you think everyone has finally let the past go, u realize they're still Stuck on Stupid

Another great book to add to the series, more drama and craziness than before. The twist and turns in this book will have you yelling out loud. Anticipating part 4 , hopefully the wait is not long

Piera Mackins says

I CAN'T WAIT FOR BOOK 4. I'M MORE THAN READY

Shonetelle Harris-cooper says

Really Good Read

I really love Truth and Tori love story but I'm upset with Truuth's reactions. Jackie is really getting on my nerves with all her lies she and Maine could be the best couple if she would just be honest. That Damon Holly hoe is a problem. Eric and CeCe relationship is so fresh and sweet they will make a great couple. I hope Tori kick the counselor ass.....Can't wait to see what happen next.

Top notch kudos and many more to Ms. Cox . Stuck on Stupid part three definitely does not disappoint and is full of entertainment to say the least. Here we have Jazzie and Maine trying hard to hold on to their relationship as it begins to crumble before their very eyes.. As the drama intensifies, Jazzie will find herself in a place that she does not want to revisit. As Miss Hattie struggles to get through her own demise so do the other characters as well. Tori's personal demons are out to threaten her happiness with Truth. Trinity is stuck in a hard place when things don't go as planned with Eric. In the end, all the characters are looking for love and trying to hold on to it the best way they know how. Read and follow these characters on this incredible rollercoaster journey on the ups and downs and the ins and outs of being in love. I can't wait for part four. I was so caught up in the book I almost missed my train stop lol. I'm waiting on Double Dose part 3 to drop as well. Thank you again Ms. Cox for reaching out and taking the time out to read the reviews.

OMG

Man this was has dropping man I'm glad Hollywood got that butt tapped. Man tori had me crying shayla better quit plan, and Vicky next . Chester got exactly what his nasty behind deserved

Yes I read For Fun says

This picks up from the ending of Maine's and Jazzie's relationship. Maine is hurt and as such lashes out at Jazzie every chance he gets, and we all know how emotional and insecure she is. When she tries to move on (operative word 'try'), he lets her know that he is not about to sit back and let that happen while still lashing out at her.

Some of their interactions will have you laughing cause its clear they are not over each other, while some will make you feel sad for Jazzie who is still paying the price for not being honest about her ex.

Torie and Truth are back and while everything looks good on the outside, Torie still has her own demons battling with that affect the relationship and leads to an eventual shocker. Like i kinda guessed it but I was hoping I was wrong because I knew it would cause major problems in the relationship. I felt really bad for

them both.

The book also gives a closer insight into Trinity's and Eric's relationship. That girl made me so ANNOYED. I could tell she was immature but I was hoping she would change after Eric gave her a second chance. But she was STUCK ON STUPID!!! He was trying so hard with her and all she would do is disrespect his efforts and even belittle him. I swear I wanted to reach in the book and slap her. Like girl, u have such a good man in front of you, trying to love your little ungrateful ass and you cant even be down for that. Like uhhh!! no words. I wasnt surprised about what happened to her in the end.

Holly, yeah you sneaky all right. I am keeping my eye on you.

Another good book!!! Looking forward to Book 4!!!

This series is so entertaining. All of the main characters are stuck on stupid but I love them all.
