## **Maureen Wagner says**

Useful.

---

## **James Daher says**

Really concise and informative. One of the better textbooks out there.

---

## **Kimia says**

Useful, but basic. You should probably buy Statistics for business and economics for a more comprehensive education on statistics.

---

## **Ghulam Mustafa says**

its a very good book with reference to statistical infrence on economics. A person who want to integrate the forcaste for any economic activity, he should read it.

---

## **Ryan says**

This is a really excellent introduction to econometrics. Just make sure you have a basic working knowledge of statistics before picking it up.
