There's always tension when Conan teams up with Hattori Heiji, the *other* greatest teen detective in Japan...and the only one who's still a teen! But when the duo investigates a murder at a mansion, will Conan's shrunken state interfere with Hattori's detective work? And how many balconies does one mansion need, anyway?

Then Conan investigates some shady doings on board an overnight passenger train. He thinks he's on top of the case until his mystery-loving parents show up to throw everything off track!

## From Reader Review ?????? 22 for online ebook

### Lissibith says

In this volume, love and marriage make a deadly mixture, Conan and Ran and Mouri deal with murder on a train, and a vacation gets tense for Sonoko and Ran when they discover someone's been murdering girls with blonde hair - like Sonoko.

Another really strong volume. I really enjoyed all three cases, but I also enjoyed the guest stars in all three - Kazuha and Heiji in the first, a couple we've seen before in the second, and an interesting new character in the final one who... well I may not always like their attitude, but they provide an interesting contrast to our main cast. :)

#### Proper review to follow

One Word Rec.: **READ**

Rating: **5 ?????**

Aoyama Gosho; **DETECTIVE CONAN** [Meitantei Conan #22]

e/read online; genre: { manga, mystery, shounen }; shelves: |comics, GN, **manga**, manhua, manhwa|

General Synopsis:

As mentioned above, I am going to write a proper review for this soon, but I have a few books ahead of this one in the queue, so I cannot stop reading DC NOW! That's sacrilege. I have decided to read all the chapters available up to now (we are almost to 1000!) As you can see, I am totally fangirling over here and I don't care, because this is one of my favorite manga series, ever! But all of this aside, there are a few things I wanted to list so I don't need to go back and look everything up when I do finally sit down and write my fangirl review. ☺?

V.22, includes Files 212 - 221

**DO NOT** click on the spoiler link if you don't want to read all the cases in this volume, because it will ruin it for you. On the other hand, if you're a fan like me or are looking for a certain case (and please note, these are how I have set the cases), etc. click away, that's why it's there.

(view spoiler)

Another spoiler link, so don't click if you don't want to ruin this manga. I am going to include the characters introduced or as the series continues are in this volume. Personally, I think us **DC** fans love certain characters more than other (yes, Heiji, I mean you!), so sometimes when we are re-reading this series (like all the time!) you might wish to start at a specific case or start when a certain character is involved.

Personal Opinion:

**#1, I never call this CASE CLOSED. If you do, you're not a true fan of this series, so don't even bother reading my review or my personal opinions. I'm sorry if I offend you, but you offended me first by telling me you want to read CASE CLOSED or you just love Jimmy.**

**#2, as you can tell by #1, I read this online. I would never waste my money buying a manga series in english that cannot get the name correct and mess up the main characters to make it appear more "ENGLISH." I am so happy I don't run a blog and this isn't a review on Sailor Moon, #1, because I have a huge soap box tirade against DiC. I also don't think there is anything against reading something online. Comics, which is what manga are, are meant to be read and shared and sometimes paying over \$10 is too much in my opinion. Plus, I read the newest chapters as soon as they are released from Japan, because I would never miss a release of DC. So this is my personal shout out to**

**you translators from me, Thank You!**

A quick and enjoyable read.

**Rici says**

Es war nett Shinichis Mutter mal wieder zu sehen! Irgendwie nur blöd, dass sein Vater so als allwissend und immer zur perfekten Zeit kommenden Kerl dargestellt wird.

**Denaiir says**

Je pense que je commence à me lasser, ces enquêtes n'étaient pas spécialement intéressantes et vraiment le mystère de la chambre close n'est plus très attrayant après l'avoir lu 50 fois.

J'espère que le prochain volume sera plus attrayant!

Enquête 1: un employé de maison tué en chambre close et des histoires d'amour chachées, mouais, même Heiji ne sauve pas l'histoire

Enquête 2: un air de Meurtre de l'Orient Express, sympa

Enquête 3: Sonoko le cœur d'artichaud se fait draguer en vacances, rien de bien folichon

**Jerry says**

Another fine entry. Solid stories here, and the last once was my favorite. It had the potential to be gruesome

but we never really saw gore. All of it was implied. Unfortunately, I also saw that story's resolution coming from a mile away. I think a new character was introduced to the story line here. Not sure if that character will appear in later volumes. I would assume so.

For those looking for a convenient resting place on the long journey of 90+ volumes, this book does not end on a cliff hanger. So you can pause here and to something else as you contemplate the next 22 volumes to read.

It's always a blast when Heiji, or Shinichi's parents show up. And the last story with Sonoko and Makoto was unexpectedly such a romantic one! Hopefully we get to see Makoto more in the future...
