Volume 5 continues two different stories: the main of Ritsu and his conflicting relationship with boss and former love Takano / Shota and younger Yukina. The typical conflicts are here - old flames, insecurities, inability to accept the relationship.

Shota Kisa is having a hard time after seeing Yukina leave with a girl toward the hotel district. Has Yukina tired of his older guy already? Fortunately for Shota, Yukina isn't giving up on him that easily. Meanwhile, living next door to Takano can be very frustrating for Ritsu. The neighbors are starting to become curious about the two young handsome guys - and Takano is only too eager to give the wrong idea. When Takano becomes sick, Shota is forced to come to his aid. But once again, former fiance an Chan plays a major obstacle, as does Takano's coworker who still hasn't happy with Ritsu.

Both stories get some nice romantic moments here and each gives in and lets the relationship happen. Of course, new problems spring up but at least we get the nice moments in between. Reviewed from an advance reader copy provided by the publisher.

Forget the contents of the manga. I ♥ THE EPISODE 0 ANIME SO MUCH. THEY WERE SUCH DORKS IN HIGH SCHOOL alkdsjfoi ♥ ♥ ♥ The only thing that would have made it better would be if it included the chapter that's from Takano's POV, but maybe that was published too recently.

No, I lied. Back to the manga, which I actually find a little disappointing. Kisa and Yukina's story seems pretty out of place in this volume, especially since instead they could have included Takano/Ritsu chapter 10, which wraps up this storyline in a lot of ways. But then, maybe they did that on purpose? Like someone might stop buying the series? IDK, who can fathom the mysteries of the publishing industry.

Shouta tells Kou off SO MEAN b/c he's insecure & thinks Kou's seeing a girl behind his back & breaks it off with him; then that creepy ex of his calls him up & wants to see him & SHOUTA, this dumbs, he agrees & the ex wants sex & KOU SHOWS UP & SLAPS SHOUTA (yes he needed that) & wants to talk -that girl was actually Kou's uni friend who he wanted to learn to cook from & Shouta's still scared of getting hurt & that one day, Kou will leave him for some younger guy & KOU GETS PISSED, SAYING HE LOVES SHOUTA!! *cue sex* things get better; they still don't have much time to see each other so Kou decides to start sleeping over at Shouta's place.

Back to Ritsu & Takano; they've got a word ay when everyone's supposed to look pro in their suits & the

two of them exit their apartments at the same time HAHA- there's the new year's party that evening but Ritsu's mom wants him to accompany An, his fiancee, to a wedding that evening & it's at the same hotel their company's party is at -so Ritsu's meeting the authors at the event & stuff & he cancels on An, but she finds him after & CONFESSES THAT SHE REALLY LOVES HIM & TAKANO HEARS & RITSU SAYS HE DOESN'T LOVE HER THAT WAY; GOD THAT'S TWICE HE TURNED HER DOWN!! & HE SAYS HE LOVES SOMEONE ELSE!!! TAKANO MUST BE SECRETLY DYING OF HAPPINESS - WHEN he asks him later though, Ritsu doesn't tell him & Takano says he won't let Ritsu run away like last time & ofc, they end up having sex -the morning after, Ritsu's going to work early & Takano's really happy he got to be in Ritsu's bedroom heh - & their old lady neighbour asks them where their host club (like prostitutes i think?) is located OMG LOL - Takano's got a fever so he might be getting sick but he wants to hear Ritsu's confession of love & Ritsu's still denying it & Takano says he can wait & doubts if Ritsu even loved him 10 years ago but YOKOZAWA INTERRUPTS DAMNIT -TAKANO GOES HOME SICK TO EVERYONE'S SHOCK - Yokozawa's still telling Ritsu to stay away from MAsamune b/c he loves him & Ritsu starts saying that's fine & that he actually hates Takano WHEN HE DOESN'T MEAN IT AT ALL !! & Takano comes out just then too!!

Cut to another editor; Tori whose with some author Yoshino Chiaki, who likes sleeping in Tori's bed b/c he apparently sleeps very well there - & Tori admits to himself he became an editor just to be with Yoshino -& they're childhood friends too BUT APPARENTLY TORI ALREADY CONFESSED HIS LOVE TO YOSHINO IN THE PAST & TELLS YOSHINO TO STOP WAKING UP HALF NAKED IN HIS BED & STUFF & YOSHINO 'S SHOCKED & CALLS HIM A PERVERT Haha that night though, Yoshino's nervous & says Tori can sleep in his own bed if he wants...they end up kissing & some other stuff & oversleep the next day. This one will be interesting. Tori worries about Yoshino always losing weight while working on a manuscript - they get into an awkward moment with some cake & Yoshino confesses he doesn't know how to treat Tori & just treats him like he always has & isn't sure what to do -they go to a festival & Yoshino's like a kid, getting lost & stuffing himself till he's sick -then yoshino wants to get Tori drunk one night to see him vulnerable hahahah but he's actually more grouchy & eventually passes out LOL but he's half-conscious & says he'd do anything to keep Yoshino by his side awww YOSHINO LOVE HIM BOY -OH & YOSHINO's the best author they have at the company; 10 million+ copies sold - while having food one day together, they run into Yoshino's ex-girlfriend, which worries Tori -& then he sees them together & drags Yoshino off & YOSHINO TELLS HIS EX IS IN REAL-ESTATE & HE WAS LOOKING FOR A PLACE THAT HE'D BUY & THEY MIGHT LIVE TOGETHER & TORI'S SHOCKED-& when Tori asks why he didn't just tell him, Yoshino says he was embarrassed Aww <3 & he assumes the only person he wants to be with is Tori <3 i think then they go & have sex & TORI TELLS YOSHINO HE LOVES HIM & he also mrs how Yoshino used to always be taller & now he's so delicate & thin :P

Jamás, JAMÁS, me cansaré de este manga. Y es que después de más de un año sigo teniendo un crush importante con Takano y Onodera (principalmente, porque Kisa y Yukina no se quedan atrás...) Son taaaaan monos y tan adorables que me entran ganas de achucharlos uno a uno para toda la eternidad. Sigo perdiendo pie con mi Takano, qué duda cabe, pero es que sigo sin poder elegir a uno por encima de otro porque son todos hipercute!

Me encanta el valor y arrojo que tiene Yukina frente a la inseguridad de Kisa, así como la paciencia de Takano respecto a la reticencia de Ritsu. Sé que todos a su manera lo pasan mal, pero no puedo decir que entienda a uno más que a otro porque todos tienen su parte de razón, y eso es lo que hace a esta historia tan perfecta y desgarradora.

Es una maravilla, ni más ni menos.
No puedo dejar de leerla...

Το Vol. 5 αποτελε?ται απ? 3 κεφ?λαια και ?πως ε?ναι αναμεν?μενο, τα 2 απ? αυτ?, εστι?ζουν στους Onodera και Takano, οι οπο?οι φα?νεται να συνυπ?ρχουν πιο αρμονικ? και χαλαρ?, μετ? τις τελευτα?ες εξελ?ξεις στη ζω? και τη σχ?ση τους, ?στω κι αν επ?σημα, δεν ε?ναι μαζ?. Ο εκδοτικ?ς ο?κος, λ?γω της Πρωτοχρονι?ς, διοργαν?νει μια μεγ?λη δεξ?ωση σε γνωστ? ξενοδοχε?ο, στην οπο?α παρευρ?σκονται οι εργαζ?μενοι αλλ? και οι συγγραφε?ς που αν?κουν στον ?μιλο. Ο Takano, δεν αφ?νει στιγμ? τον Onodera και μ?λιστα, ?ταν ο Yokozawa θα προσπαθ?σει να του επιτεθε? δικα για θ?ματα που αφορο?ν την δουλει?, ο Takano θα μπει μπροστ? και θα τον υπερασπιστε?. Αφο? λοιπ?ν ?χουν περ?σει για πρ?τη φορ? τη ν?χτα στο σπ?τι του Onodera, ο Takano, περιμ?νει πως η κατ?σταση μεταξ? τους ?χει αλλ?ξει. ?μως ο Onodera δεν σκοπε?ει να του το κ?νει ε?κολο, επιμ?νοντας πως θ?λει να εστι?σει στην δουλει? και τελικ?, ομολογ?ντας πως δεν ξ?ρει πως αισθ?νεται. Once again, WISH I had read this in Japanese. Sadly still English. Also I read it, though it is also on anime... not sure why it's registering as a DVD

Chapter 1- Kisa/Yukina- This may be one of my favorite scenes. Kisa has been avoiding Yukina like the plague, still agonizing over seeing him with a woman in the love hotel district. He is convincing himself he should just fade out and accept it's over. Fortunately for us, Yukina is persistent. He goes to Kisa's home and after giving him a well-deserved slap (trust me, if you read it, you will agree it was EXTREMELY well-deserved), he forces Kisa to talk to him. He explains that the girl has been teaching him to cook, as Kisa seemed to like his cooking, in exchange for a movie. She's just a friend from art school. Furthermore, he explains that he hasn't complained about Kisa needing to cancel plans or not going out because as a student he figured he couldn't understand the pressures of a working adult. Despite all this, Kisa is convinced he knows nothing about Yukina and could never know him well. At this point Yukina rattles off a list of facts about himself (which is an incredible scene in the anime) ending with "And the person I love is Kisa Shouta." They embrace and Kisa admits he needs more confidence. The chapter ends with Yukina showing up to stay the week so that they can spend more time together.

Chapter 2- Takano/Onodera- Every year the publishing company hosts a New Year's party for the mangaka. This is Onodera's first time attending the event and the other editors are giving him a bit of a hard time. In the midst of all this, his mother is still trying to make things work with him and An-Chan, insisting that he escort her home that night from a wedding. Despite informing both of them that he had to work, An-Chan waits for him, none too happy. They have a frank discussion where Onodera declares he does not love her that way and does not intend to marry her. He also indicates that he may still be in love with the same person from junior high/high school. She runs off crying and Takano stops him from going after her, telling him that his niceties are what keep her from moving on. They end up going home together, in which they talk a bit about the fiance issue that was part of what drove them apart. They end up spending the night together once again.

Chapter 3- Takano/Onodera- Onodera finds himself trapped on an elevator with Yokozowa and Takano. Takano sneezes, causing concern from Yokozowa. Takano confronts Onodera, trying to get him to confess

his feelings. Later, Takano takes the day off because he's ill- a very rare occurrence. Onodera brings medicine, to find Yokozawa taking care of him. The two of them argue about the nature of his relationship with Takano. Yokozawa insists HE is the better match, at which point in his anger and being flustered, Onodera says it'd be better if the two of them dated so that Takano would leave him alone. He even says he hates Takano, which Takano overhears. Cliffhanger...

Mini Chapter- Kisa/Yukina- Yukina has been staying at Kisa's for a few days and Kisa is finding it hard to concentrate given Yukina's hotness and sparkly aura. Yukina decides this means he needs to be even clingier so that the effect of his looks wears off. Comic awkwardness ensues.

Ah this was such a hot mess but I am so in love with it.

Kisa's storyline was fucking amazing. I loved it, it was just the perfect amount of drama and angst without getting ridiculous. I love Kisa so much because I relate to him more than I've related to any manga/anime character. Yukina is so flipping precious and he cares so much about this self hating little man. And the moving in together yes!

As for Onodera and Takano's story, I love Takano so much, him wanting that old lady to think they're hookers, omg. The office party was interesting because they're just usually in the same environment all the time. And the confession, yes. The raunchiness was nice...

Although I will say this, I see so many people hating on Yokozawa, and yes he's a little bitch, but he does have a point. Like right after they have sex Onodera is already pulling away from Takano and acting all distant like it was nothing, even when Takano is being a little cuddly cinnamon roll the next morning.

Overall-

Ugh that ending. I love Onodera but I feel like Takano deserves better than to be strung along... But at the same time you can tell he loves the chase... Idk. I bought the next one though cause I'm trash so we'll see what happens.

More Kisa chapters pls. God, just give me only one Ritsu chapter and 5 more Kisa chapters.

This volume was a bit better in the way of development for Ritsu. BUT MAN DO I HATE YOKOZAWA.

+1 for cute little morning after scene. And +2 for cliffhanger. Hell, even Takano was a BIT better in this volume.

Alet says

Ehm...en resumen fue un gran tomo. Pero sigo tipo en shock por el final. Había olvidado que eso pasaba :(Empezamos el tomo con Kisa, justo donde acabó el otro tomo. Debo decir que a veces esta parejita es tan cute *-* El autoestima de Kisa y los brillitos de Yukina jejeje...son muy tiernos :33

Y por otro lado, volvimos al drama de Onodera y Takano...Ay Dios mío :p

Primero con lo de la fiesta del año nuevo *se siente la tensión xD* se supone que debían ir para que los editores conozcan a los autores de los mangas (y empepé a gritar como LOCA porque eso significaba que iban a conocer a mi Yoshino ya que el es autor :33)

Pos bueno, justo donde se realizaba este evento, también se realizaba la boda de una amiga de la prometida de Onodera D: (ou em yi) tonces...SE ENCUENTRAN Y LAS COSAS SUCEDEN

Okay okay okay...Takano y Onodera me tocaron bastante el kokoro durante este volumen, BASTANTE :(Son una pareja hermosa (aunque no sean oficialmente una pareja buuu) Casi me hicieron chorar D': SU AMOR ES PALPABLE

Pos ese final me dejó algo rara. Tipo final de telenovela. Justo acabando en el momento del omaigah.

.

.

Y...FINALMENTE VI A MI SHIPPP!!! FUE EN ESTA FIESTA DONDE LOS VI A LOS DOS AHÍ JUNTITOS!! Aunque casi ni hablaron, LOS VI<3

Pos nada, lo amé

This series will be the death of me. I am so invested right now. I have no idea what I am going to do when I have finally caught up with all of the English editions!!

The beginning of this volume focuses on the misunderstanding that has occurred between Shota Kisa and

Kou Yukina. I really related to Kisa in this book. It's funny because he doesn't have that much confidence in himself, yet when you see Kisa through Ritsu's eyes, he is meant to be one of the like flower boys in the manga department. I love the development of their relationship and I can't wait to see their plot develop further!

The middle of this volume then shifts to Ritsu and Masamune. They are at the point where Ritsu is so close to confessing his love to keep Masamune, and that happens because of the obstacles in their path. But also some of the obstacles are pushing them apart like what happens towards the end of this volume.

I really love this series and I can't wait to continue on reading!
