A Mackenzie Family Christmas: The Perfect Gift Jennifer Ashley

Revisit the Mackenzies in this heartwarming Christmas tale of the New York Times bestselling Mackenzies series.

The Mackenzies gather for a clan Christmas and Hogmanay in Scotland. In the chaos of preparations for the celebration--the first of Hart and Eleanor's married life--one of Ian's Ming bowls gets broken, and the family scrambles to save the day. Daniel busily runs a betting ring for everything from the hour Eleanor's baby will arrive, to whether Mac's former-pugilist valet can win a boxing match. Ian begins a new obsession, and Beth fears that the loss of one of his precious bowls has made him withdraw once more into his private world.

Perfection in every way!

Blacky *Romance Addict* says

The Mackenzie family celebrated Christmas together...

It was absolutely amazing...

And I loved every single second of it!

Jessica's Totally Over The Top Book Obsession says

First read May 6, 2015

Reread August 22, 2016

Re-reread July 1 2017

A cute little novella. I love that you get to see the whole family. See them spend the holidays together. Fellows joins the holidays which I like. Mac and Iz had some cute moments. I enjoyed getting caught up with Cam, Ainsley, and Danny too. I love the hell outta Ian and Beth. They had some great news and Ian did something awesome for Christmas for his children. Ian always steals the show! I don't know what it is about Ian but Damn I love him so much. One of my top 5 most unforgettable book boyfriends. So even though this book was about the whole family and I loved all of them anything with Ian I devour. It was sweet reading about the birth of Hart and El's son. A enjoyable quick read! Maybe too quick I would have loved more.

5 brilliant stars!!!

A Mackenzie Family Christmas: The Perfect Gift is an amazing Christmas novella that wasn't too short, wasn't too long - in fact *it* is perfect in every way!

The Mackenzies gather for a clan Christmas and New Year's in Scotland. In the chaos of preparations for the celebration--the first of Hart and Eleanor's married life--one of Ian's Ming bowls gets broken, and the family scrambles to save the day. Daniel busily runs a betting ring for everything from the time Eleanor's baby will arrive to whether Mac's former-pugilist valet can win a boxing match to who will be the first of the many guests to be caught under the mistletoe. Ian begins a new obsession, and Beth fears the loss of one of his precious bowls has made him withdraw once more into his private world.

I can't seem to find the right words to express how much I loved this story! And how could I not? Spending the Christmas with the Mackenzies is pure bliss! This holiday tale is delightful, romantic, heartwarming,

sexy... all the things we've come to love about those Mackenzies, and then some!

Seeing the family and how their love for one another just keeps growing warmed my heart. There's nothing they wouldn't do for each other and I adore that about them. Hart and El, Cam and Ainsley, Mac and Izzy and of course, Ian and Beth... spending this time with them was a perfect addition to my holiday reading and I loved every word, every sentence, every page...

And then there's Daniel! The boy we all fell in love with is growing into quite the man, one whose story is sure to be every bit as exciting as his father's! Inspector Fellows, the illegitimate Mackenzie... every time I see him I love him more! And the McBride brothers... wow. There are some great stories there, and I can't wait to read them!

See? I can't find the words to tell you, coherently, how wonderful *The Perfect Gift* is! But trust me on this - if you're a fan of those Mackenzies, don't waste a single moment thinking about whether or not to buy this book - just do it. You will be so glad that you did!

Such a treat!

And for your viewing pleasure, a wee bit o'kilted eyecandy!

Wendy says

Nothing like the Mackenzie brothers to give you the warm and fuzzies. This is puuuurrrrrfect!

Suzanne (Under the Covers Book blog) says

This book has confirmed two things...

1. My complete love and devotion to all things Ian Mackenzie
2. My future love and devotion to all things Daniel Mackenzie.

This was a sweet tale of a Mackenzie Christmas now that all the wild Mackenzie brothers have found wife's they are in love with and devoted to. It was great to see some of the other couples again, especially Ian who still remains my favourite.

I can't wait to read the next book!

Kelly22 says

5.00 Stars - Historical Holiday Romance.

Superb! Marvelous!

I sincerely thank Ms Ashley who has outdone herself with this beautiful novella with bits and pieces of events starring our favorite and unforgettable Mackenzie clan and more! Innovative as ever, Ashley once again draws in the readers with her beautiful writing, sensual storyline and poignant romance.

We get very satisfying glimpses of how the previous dazzling romance pairings in this series are faring about. There is intensity, laughter, wit, emotion, ROMANCE and tempting appearances of few of the future leading men and ladies of the upcoming books.

All in all, this novella skillfully talks about the continuance of the journeys into the 'happily-ever-after' of the elusive Mackenzie men and their charming lady-loves with a splendid setting that reaches out and grabs a reader's heart.

Fans of the series must NOT leave it out!

Rain ~miss kinky knickers~ says

Oh, wow! This truly is *the perfect gift!*

It's December 1884, and the Mackenzie family gathers at the Kilmorgan Castle for the holidays. And, when I say "family" I mean the *whole* family! Ian and Beth, Mac and Isabella, Cameron and Ainsley, Hart and Eleanor, Daniel, David Fleming, Ainsley's brothers, Eleanor's father, Isabella's mother and sister, Lloyd Fellows, plus all the children and dogs. Let's not forget those dogs.

I've enjoyed reading this novella immensely. Seeing the Mackenzies together, and dysfunctional as ever, is just... precious. Not to mention it's everything *but* boring.

Beth broke Ian's new Ming bowl, a child goes missing, there's one blackmail about to happen, a boxing match is organized, Hart Alec Graham Mackenzie is born... and there are some *awesome* presents exchanged.

It's lovely, emotional, romantic, witty... it's an amazing glimpse into the collective happily ever after for one of the most interesting families I've ever read about.

David blinked. "Praise from Hart Mackenzie? I must make a note in my diary."

"Kiss my fundament," Hart said dryly.

Read it! You know you wanna!

Jennifer Ashley says

Made it. It's 12/15, and this book is out. See my website (<http://www.jennifersromances.com>) for links to Kindle, Nook, Kobo, Smashwords. Am working on the print edition. You can also sign up for an email blast for updates here:

Thanks to whoever set up this Goodreads page for the book!

Jacqueline's Reads says

What? I read an in-between book. I only do this if I'm really into the series and this is a Christmas one! I was concerned if I missed out in anything and you really don't. If you don't like novellas or in-between books you can skip this one.

I wanted to read a Christmas theme book and it does have Christmas elements of it, but I think there was too much going on. Considering my favorite is Ian, I didn't really care for the other storylines. I kind of wished we got a little bit of new side character. Maybe in the next in-between novella book?

If you like Ian, like me, don't read this one. It's a freebie and it's holiday theme so yay!

Kitten Mercer says

"I don't need the bowls to give me peace anymore," Ian said. "I have you. And Jamie, and Belle. If all the Ming bowls in the world were smashed, I'd still have you. You broke the bowl, and it is gone. But you are here, and whole. Nothing else matters."

5 brilliant stars! I wasn't supposed to read this, not until after I've finished the other books. But I just couldn't help it, I can't get enough of Lord Ian Mackenzie and his Beth. My heart is swelling with happiness. Reading this novella was pure bliss and heart-warming and it literally made my day. Words can't express how much I love Ian and the other Mackenzie men, as well as their wives and children (even though I have yet to read their stories). Glimpses of the McBrides, Officer Fellows and his "acquaintance" with Louisa, and the others were also mentioned in this novella. But what I still love most about this book is Ian. I felt it bones-deep how much he loves Beth, his children and his family.

Jennifer Ashley really did a good job. I love her writing style and even if there were lots of POVs in this novella, I enjoyed every second of it.

Sammy Loves Books says

These MacKenzies are so randy!!!

What a wonderful book for anyone that loves these MacKenzies as much as I do. It's Christmas time and all the family come together to celebrate. It's total chaos with all the children running around, pregnant wives about to give birth, and lets not forget the MacKenzie dogs. They are Everywhere!!!

This was a light joyful read...until one of Ian's prize ming bowls gets dropped and the entire castle is on pins and needles waiting on Ian to fall apart. The last time a ming bowl shattered, Ian fell into one

of his rages and then began to muddle.

I loved seeing what was going on with each couple from books one thru four of the series. Even the illegitimate brother, Lloyd Fellows and his mother, were in attendance. I HIGHLY Recommend this short bit of fun to all lovers of the MacKenzies. There is passion, intrigue, and a mystery. This book is also full of love, presents, and surprises.

Read this 4.5 star book...but Only after reading books 1-4 of the series. You won't regret it!!!

Keri says

Loved it!!! Loved it!!! We get all of our beloved Mackenzie men in one place, at one time with their lovely ladies. What could be a better Christmas than that? But with a broken priceless Ming bowl, all believe that beloved Ian will be coming apart at the seams at any time. So Beth and Hart scramble to find a replacement before Christmas to avoid a ticking time bomb. We also get to meet some of the babies and the trouble that they can get into in a busy household. We get to meet our future heroes, the McBrides and they are just as swoon worthy as our Mackenzies. Hart is also under pressure as his beloved wife Eleanor is due any day. As you remember his first wife died in childbirth so he is pulling his hair out because he can't exert his iron control over a baby that has their own schedule to keep. (We also get some more hints as to Hart's dark sexual past.) At least the hint was a surprise to me that he was into that. I could go on and on about how much I loved this book and reading about everybody, but I don't want to bore you. For 99 cents it is a steal and worth it. If you love Ian, you are going to love him even more as he presents Beth with the perfect Christmas gift. Jennifer Ashley is a very gifted writer and I thank her for all the wonderful stories that she has gifted us with. Looks like 2013, 2014 and 2015 are going to be very good years for the Mackenzies, McBrides and all of our shifter friends.

Stacie says

4 1/2 "MacKenzie Clan" Stars!

I absolutely loved being with the MacKenzie Clan again. Catching up with the brothers, their wives and their growing families. Especially Ian; I adore Ian.

Makes me want to get back to this series very soon. There is lots of chaos going on with everyone being together for the holidays; as there is always something going on with The MacKenzie family. Daniel has grown into a very swooney worthy young Scotsman. I must get to his story soon. Happy reading!
