## **Badcock** Debra Glass

When her fiancé trades her for an heirloom ring to a dashing highwayman who holds up their coach on a desolate country road, Sophia Astley is hurt and shocked. However, it soon becomes strikingly apparent to Sophia that she is the true gem Bad Jack sought. Intrigued, she willingly submits to every tantalizing taboo he metes out to her.

Dressed as a masked highwayman, Jack Badcock, Earl of Stafford, thinks he is acting out the fantasies of a woman he knows only through lurid letters. As Jack tames her with blindfolds, sensual spankings and an array of torrid toys, she plays her role as the abducted, submissive virgin convincingly--too convincingly. By the time Jack uncovers his fantasy lover's true identity, it's far, far too late.

## **Karen Nichols says**

A really sexy, fun read of mistaken identity that leads to more than they ever believed possible. I like seeing the villains get theirs and I really enjoy seeing adults enjoy their sex life and not take it for granted.

People gripe about things being rehashed - then you do it different and better.

### Wendy's Review

Sophia Astley was about to start a life with a man that she was certain wasn't going to be what she craved. Wanting a more physical engagement, Sophia wanted Ralph Crichton, Duke of Wisbech, to show more emotion. Ralph didn't know what had gotten into his wife-to-be Sophia, but he will refuse to let her become a harlot and embarrass him.

Jack Badcock was a man with a past. People talked about all the escapades of his youth, and to tell the truth, they didn't lie about him. Dressed as a highwayman, Jack kidnapped Sophia thinking that she was another woman. Even though he told himself she was who he thought, things didn't add up. Taken into the woods to a cottage, he taught Sophia everything she craved. The sex was rough and Sophia enjoyed every minute of the spankings especially. For a maiden she wasn't shy; however she was apprehensive about some of the things he asked, or better yet demanded of her. It was the best two days of captivity she could dream of.

Sophia knew what was expected of her even though she knew marriage to Ralph wasn't what she wanted or craved, it was her duty. Jack wasn't willing to give up his agreement for marriage, but he wanted Sophia to be his mistress and on her wedding day a second kidnapping occurred. Sophia, by her wedding day, was willing to agree to anything that Jack wanted to get out of this arranged marriage.

Sexual tension builds between the two lovers but the danger outside their cabin still exists, and until they both were attacked and almost killed did Jack realize that nothing was worse than losing Sophia. Sophia realized that whatever Jack offered was enough just to be together.

This story contains intense sex scenes with several toys in play. Exotic sex scenes were performed that had you holding your breath and thinking that maybe you were missing something. Love, sex, and danger are a great mix in this story.

I give this story a 3 1/2 stars. Its a unique plot but just didn't like many of the characters. I had a hard time with the powerlessness of the heroine's situation. I kept thinking she should just kill herself because she was utterly trapped. She was surrounded by horrible human beings. So that said, I can't fault her too much for being such a spiritless doormat.

To make matters worse, our hero did not feel very heroic to me. I found him to be selfish and arrogant. I get that he was in a pickle with his commitments but his attitude and thought process was so misogynistic. Plus he wasn't all that sexy to me. He just wanted to get laid over and over again. There was a lot of naughty in this story but it lacked in luster so I ended up skimming through all the parts where they mentioned his big ... entering her creamy... I kept thinking that she was going to get a bladder infection if not hepatitis from there sex-fests at the cabin.

It was a quick read and wasn't horrible. Just wished it had taken a slightly different tone.

“Don’t be so impatient, love,” he said. “Before you leave here, I will have rutted you so raw you won’t be able to walk.”

**Just look at that title.**

**Need I say more about what drew me to this book?**

**This was so ridiculous, I laughed like crazy at some parts, and some were so kinky that I still laughed at them ahahahhahahaha**

**So even though I can't say this is brilliant, I had huge fun with it :D**

These gifs are my overall thought process while reading the sex scenes that were **meant** to be erotic but just 100% were *not*!

.

**Stay mature...you're an adult...**

.

**Keep it together!**

.

**Can't...hold it in...any longer....HAHAHAHAHAHAHA!!**

.

Okay, laugh men gifs aside, even though this was sort of stupid I actually enjoyed it because it made me laugh even though it wasn't suppose too. Making me laugh so much deserves the 3 star rating alone.

As always, I loved this latest release from Debra Glass, and highly recommend anything she writes. :) This one is about a highwayman who kidnaps a society lass, and uses her for a night of passion. The society lass minds, and then, due to her really worthless fiancé, might not be so against a reason to break off the engagement.

I Wish this book was longer i loved both characters Sophia was just such a sweet curious, she is engaged to Ralph (Booooo Ralph is a coward who is hijacked by a masked man who takes Sophia but before he does he Gives Ralph the choice either he takes his fiancé or the ring Ralph decides to trade her for an heirloom ring. Whhhhhhhhhhhhhhhhat ON NO HE DIDN'T (FINGER SNAP).

any whooooo she is Taken by the Hijacker his name is JACK BACCOCK <----- the name says it all ahhhhh who basically had his way with her ( thinking she was someone else) but sophia willingly does what he asks of her.

so to sum it up this was not a bad little story my first historical book and to be honest it was not bad it was funny and sweet only wish it was longer

Enjoyed this even though it was totally outrageous and completely predictable. Besides, the sex hot and kinky!

3.5 stars.

Unlike other Debra Glass books, I don't really enjoyed this story. It is full of anguish, betrayal and hopelessness that the ending seems a bit shallow for me. Sophia changes from virgin to spank-me wanton, and Jack is like the everedy battery. The ending for the villains are not enough to quench my anger toward them. Anyway some of the scenes are definitely hit but others are too much for me.

I rarely read historicals and boy, this book showed me some of what I'm missing! The idea of a highwayman is entirely too sexy and dangerous to this contemporary girl and Jack definitely fulfilled upon that initial promise. Will definitely be reading more from this author!

All of this author's books are hot and "Badcock" is no exception. It's not great literature, so if you're looking

for political and social commentary, then go read "War and Peace". If, however, you want lots of hot intercourse, dirty talk, and creative sex scenes, you've come to the right place.

I haven't read a lot of erotic historicals. Not because I don't enjoy historicals (they are my fav!), but because I always hesitate that either the historical elements will override the erotic, or vice versa. Debra Glass has hit the perfect balance with Badcock. I hated having to put the book down! (stupid real life)

Jack's character is to die for. Sophia was innocent without being annoying or vapid. The choices they were both faced with were believable and heartbreaking.

I can't recommend this book enough!

Ahahhahha... the second book are better.. hmpffth...

tetep yeeehh.. BDSM.. kiikiikiiki...

Ceritanya lebih berkonflik di banding yg . Ada pihak kedua dan ketiga yg berperan jadi antagonis disini..

Ceritanya di awali dengan salah sasaran.. Jack Badcock (gw kaget namanya beneran badcock) berlaku sebagai perampok yg kemudian harus menculik seorang Lady untuk melengkapi kontraknya dia dengan seorang Countess German yg akan menjadi tunangannya..

Masalahnya.. dia salah culik disini.. yg dia culik adalah Sophia.. yg mana sudah punya Tunangan lain.. hadehhh...

Salah culik sih salah culik... kagak konfirmasi dulu.. maen sosor ajah.. halaah... hahhha...

ada adegan tembak-tembakan disini... belakangan... makanya dapat di katakan bagian serunya itu ada di tengah menjelang belakang.. walopun Sex Scene nya udah ada dari awal... hahhha

lumayan lah... yg ini di jamin ga ada Sum-sum.an juga...

hahahahhhah
