A'albiel says

Ezt a könyvet még nyolcadikban kaptam az angol tanárn?mt?l ballagási ajándékként. Milyen aranyos már t?le. Aztán valahogy soha nem jutottam az elolvasásig. El?ször azért nem akartam, mert hogy majd ha eljutok olyan szintre elolvasom, de akkor épp nem volt kedvem és id?vel túlléptem rajta, inkább rendes angol könyveket kezdtettem el olvasni. Most is csak azért olvastam el, mert kellett egy rövidebb könyv amíg meg nem érkezik a The Crow és ezt találtam.

Egyáltalán nem számítottam rá, hogy tetszeni fog, ezért nagy meglepetés volt, mivel tényleg bejött. Úgyhogy be is van tervezve a teljes m? elolvasása, még szerencse, hogy találtam egyet itthon.

Stephanie says

I've read this book before.

I really like the story but just like the Dutch version I read, I think this version is also a short version. So I plan on reading the full version of this story somewhere in the future. I've read this story 3 times already so I definitely recommend it.

Laura Kim says

This book is a woman growth novel and I was moved by Jane's brave. She overcame all hard time and resisted to the unfair treatment. These behaviors are very uncommon in that time. After I read this book, I

thought "Great expectations" and this book have few similarities. Pip, who is the main character of "Great expectations" and Jane had a unhappy childhood. Pip lost his parents when he was young, so he lived with his sister and her husband. Pip's sister always scolding and mean to him. Everyone said he has to be grateful to her sister who brought him up "by hand". Jane was orphaned and sent to uncle's house. After her uncle died, she had survived through a childhood of persecution and abuse by her aunt and cousins. They also wounded cause of love and felt a separation between their lover. Pip's heart was broken by Estella. She ignored and didn't accept his love. Jane was betrayed and shocked by her lover, Rochester. Though, there is a difference between them, brave in front of love. Actually, Pip did nothing to make Estella love him. He just wanted Estella watched and love him. Jane was also be afraid to love Rochester and ran away, but she approached him even he became a blind and disabled. Perhaps, Pip wasn't love Estella if she becomes like Rochester. Women was a weak and submissive existence in that time, but Jane was completely opposite with them. Jane Eyre was a interesting novel to me and I heard there is a movie that based on novel. I want to watch it if I have a chance!

Gonnhe says

Bueno, a ver. Me ha gustado mucho, por supuesto, pero obviamente voy a leerme la historia original. Es una buena adaptación, de todas formas (supongo, quiero decir: pasan un montón de cosas en 100 páginas, no se le puede pedir más). Me ha encantado entenderlo, pero claro, sigue siendo lo que es y seguramente haya muchas más palabras que no entienda en el original, pero meh.

Igual es porque ha sido cortito y todo pasaba muy rápido, pero he visto algunos detalles bastante predecibles (historia de amor aparte, me refiero), igualmente me ha gustado conocer por fin la historia de Jane Eyre. :)

????? ???? says

Not a good adaption!

In 3 months, I read lots of oxford bookworms' adaptation for a university course. So glad that was the last one. I'm not really sure that they can have a noticeable effect on my English skills. And I do hate reading adaptations of great books, It's like you've lost the enjoy of reading the original for like ever, because you already know what's going to happen. It's better not to read something than reading an adaptation!

Berfin says

A true classic! Even though it was a simplified version, I enjoyed reading it very much. I'm looking forward to reading the full version!

Jake says

Jane Eyre was a good book, but I think it was a bit too tragic. An orphan girl who has to live with her mean aunt and really annoying cousins. She was lefted out most of the times, and i felt bad for her. Then she goes to this boarding school called Lowood Boarding school, and this school was for orphans. At the school Jane

meets a girl named Helen. They soon becomes best friends and I felt really happy for Jane. But the happiness didn't last too long. One day when Jane woke up Helen was dead on the bed. It was even the bed right next to Jane! So this is the part I felt a bit sad. Soon when she becomes an fully grown women. She becomes a teacher and goes out of town. She teaches a girl named Adele, and Adele had a guardian called Mr.Rochester. Mr. Rochester had a girlfriend called Blanche. Blanche was musically talented. However Mr.Rochester knew that Blanche was a bit of a "gold digger". So he decided to marry Jane. One day at Mr.Rochester's house Jane saw a strange looking women trying on Jane's veil. but she didn't noticed it was. When she woke up the veil was torn in half! Jane knew something was wrong. At the wedding someone shouted that Mr.Rochester has a ex-wife named Bertha. So she had to stop the wedding and don't marry Mr.Rochester. Then distant relatives find Jane and she stay with them for a while. Then another tragic thing happens. Her rich uncle dies! Soon then St.John purpose to Jane to marry him, but she couldn't accept it. After all that Jane decides to go back to Mr.Rochester's house. But when she got there, the place was all broken down and messy. Mr.Rochester was missing a hand and he was blind. Even if he was blind and missing a hand Jane still loved him. So they lived happily ever after. End of the summary.

My thoughts: I couldn't give a 5 star because it was sad and too tragic. But I still loved the book.

Derryck Osbourne says

Project Read On: Book #4

As always, this book is a version used for educating purposes. The book itself is thin (101 pages). You can just imagine how much of the story wasn't written, or at least, only a small part of it was written.

I gave it 4 stars out of 5. Simply for a few reasons, the sudden death of Burns, no more news about Miss Temples, not much info about the mad woman, Jane didn't even meet his uncle before his death and the sudden change about his cousin in the end of the book. I found that part particularly annoying.

Other than that I really liked the way that Charlotte Bronte wrote the book. It was a good read.

Vanessa Spartano says

It's a nice book!! It's a sad story, but I like it for its simplicity.

Judit Garcia says

Although it was a book I had to read for school, I've enjoyed it.

valee says

What an amazing read. There's just something about the story of Jane Eyre that makes me wanna read, watch

or hear anything about it. I had already seen the movie, the 4 hs. version, and loved it. But to read the book was a completely different experience. You feel enriched by this amazing book, and you can't help it because the type of person Jane is makes you think about the type of person you are and you wanna be in the future. There's so much about this character, to see someone suffering so much and still be able to get the best of it and see the best in things makes you question yourself about your way of reacting about things. Sometimes we can react in a way that it too overreacted about some things and it isn't until we suffer a terrible faith that we realize how silly we have been all this time. IMHO it is the way we react about things what makes as best or worst human beings. Jane is the type of person who can make the best of every situation and you can't help but love her. I really believe this story is a must read and a book that will help you appreciate little things more.

But it's not only Jane who I loved in this book. Mr. Rochester was such an amazing hero. He was just perfect for Jane and exactly what she needed. He had to wait for his HEA and it took him a lot of suffering to get there, but he was after all 20 years older than Jane, and 20 years is a lot of time to make mistakes.

To sum up, I'll just say I loved every second of it and I can't wait to see any of the movies again,LOL.
