2nd Time Around

James Earl Hardy

2nd Time Around James Earl Hardy

Pooquie and Little Bit are back in love and back to stirring up the hip-hop community and the rest of New York. But as these two strongly independent yet passionately linked men discover, the pursuit of happiness takes work to maintain. This is the seriously sexy, fiercely funny, black-on-black sequel to the bestseller B-Boy Blues.

Ray Ray says

loved it

Bruh says

2nd installment of the B-Boy Blues series.

Tama Wise says

What could be better than B-Boy Blues? A sequel, from the point of view of the super sexy Rahiem, the thuggish partner of the original novels main character. Can't help but be bias, given he is my favourite character of the series. Just as good as the first book of the series, if not moreso.

DeTerrius Woods says

Mr. Hardy switches gears in this sequel by telling the story through Rahiem a.k.a Pooquie's point of view. His slang is something to get used to, but it's enjoyable to have that difference between the two characters. It took me a minute to get used to the...lack of description/detail. Unlike the first novel, which is stated in some of the other reviews, this one wasn't as erotic. In fact, it wasn't erotic at all. I was kinda hoping for that detail of the "beat down" that Pooquie is known to give Little Bit, but we didn't receive it. Hopefully it'll be in the next. Also, I found the majority of the flashbacks to be somewhat irrelevant to the story. Throughout all of that, I couldn't put the novel down even when I coached myself that I was going to lol. Pooquie and Little Bit's relationship is love-able. Love how they can have a disagreement and then be over it in no time. They challenge one another, not afraid to say what's on their mind, and stick it out no matter what. That's love. Unfortunately, Pooquie didn't come out during this novel but he did overcome some barriers and I'm proud of him. Hopefully the next novel gives me exactly what I'm wishing for.

Author G D Grace says

From the B-Boys point of view.... one of my all time favorites..
