Hailey Wood is a sweet, innocent and emotionally damaged young woman. Dillon, Chance and Roman meet her and know that she is the one for them. I know some people will have a issue with the fast pace that they meet and fall in love but this is a short e-book so it has to move quickly. I love how the Bartram brothers felt such a instant connection w/Hailey. All the men in Passion, Victoria take care of the woman of the town and I love that about this series. Dillon, Chance and Roman help Hailey over come the monster after her and find strength she didn't know she had. This is a fast paced story but I still felt like I got to know everyone. The Bartram men are the kind of men a woman would be lucky to find once no less three of these men..... such a lucky girl !!!! I would definitely recommend this series to anyone how loves strong men and hot, hot sex !!!

Nice little menage story. I loved the guys but once again the hero's fall for the damsel in distress and fall in love with her and decide she is The One at first sight. Seriously not realistic. lol
