## Off The Clock Brett Battles

A warning:

Don't mess with Quinn's friends.

If you do, he'll find out.

And when he finds out, he'll find you.

No matter who you are.

No matter where you go.

Because even when Quinn's off the clock, there's work to be done.

OFF THE CLOCK is a seven thousand word short story, featuring the protagonist of the award winning Jonathan Quinn Thriller series.

## PRAISE FOR THE JONATHAN QUINN SERIES:

“A pure delight.” —Jeffery Deaver, author of EDGE and the Lincoln Rhyme’s novels.

“Battles is a master storyteller.” —Sheldon Siegel, author of PERFECT ALIBI

“Quinn is one part James Bond, one part Jason Bourne.” —Nashville Book Worm

“Highly recommended.” —Library Journal (starred review for THE DECEIVED)

“The best word I can use to describe his writing is addictive.” —James Rollins, author of the Sigma Force series.

### **David Highton says**

This short story is No 2 in the Deadly Dozen 2 collection - decent read but not enough to convince me to start the Quinn series

### **Estrella says**

I love Battles' style of writing, and I love Jonathan Quinn. Getting to read little bits about him in between the novels is a sweet little gift from the author. Brett Battles is my new favorite author.

### **Jim McKittrick says**

nice little story.

#### **Great Short Story**

This was a great little short story that takes place over one evening. The plot was very tight; the writing clean and crisp. The characters were not overdeveloped but were still very interesting. The story was nothing new, or something I haven't read before, but it was really well told with very vivid details. The author told just enough that I knew what was happening but didn't overexplain things and insult my intelligence. Everything was tied up and left me satisfied at the end. I'd read it again.

A really good short, I love the Quinn series and this short story did not disappoint. I would recommend this short story for all to read... It should not take you anymore than an hour to read.. 5 stars, Thanks Brett

Wow! Who doesn't want to give someone their comeuppance sometimes?! Like the person in the store or wherever in public, yammering uselessly on his mobile loud enough for all to hear even when you've politely asked him to tone it down. Who doesn't want to open hand slap that guy and then snatch his phone from his ear and drop it in his coffee and calmly walk away??? That scenario so doesn't compare to what Quinn did to the guy in this short story but it gives insight into the mindset of someone who gets fed up with people who act as if the rules don't apply to them. Just DO NOT mess with Quinn nor anyone he considers his friend.

### **Chon says**

It was okay...

---

### **Aarre Laakso says**

Short story that explains why Quinn gets his Thai food for free.

---

### **Wendy says**

A really quick and entertaining read!

### **Jim A says**

For the fans of Brett Battles' Quinn character this is a fun read. Very short story in which Quinn helps out an acquaintance in a Thai restaurant in L.A.

This short story will not make much sense to anyone who has not read the Battles series as there is very little backstory.

Good short story
