## Play My Game J. Kenner

For fans of *Fifty Shades of Grey* and *Bared to You* comes an erotic, emotionally intense eBook novella from J. Kenner, bestselling author of *Release Me*. Following fan favorites Damien Stark and his wife, Nikki Fairchild, *Play My Game* is the story of their first Valentine's Day as newlyweds, and offers an alluring glimpse of Jackson Steele, the alpha male featured in Kenner's upcoming novel *Say My Name*.

**Includes a special preview of *Say My Name*, the highly anticipated first novel in J. Kenner's new trilogy in the Stark series.**

I never imagined that anything could top our honeymoon, but life as Mrs. Damien Stark is sweeter than any fantasy. We are forever bound by our love and our desire. His touch is my greatest treasure—and is purely mine alone.

Yet no matter where we go, the ghosts of our pasts follow. We can't escape our secrets, or the people who desperately want to bring us down. Even on Valentine's Day, neither of us is safe.

I'll do whatever it takes to protect Damien, to fulfill his every need. His kiss is my calling, his passion my truest bliss. The dangers we face, we now face together—and nothing can make me run.

***Play My Game* is an erotic romance intended for mature audiences.**

## Praise for J. Kenner and The Stark Trilogy

"Kenner may very well have cornered the market on sinfully attractive, dominant antiheroes and the women who swoon for them."—***RT Book Reviews***

"J. Kenner has written a sensually seductive storyline that catches your imagination. . . . [*Release Me*] will suck you in from the very start."—**The Reading Cafe**

"An erotic, sexy and exciting ride."—***Fresh Fiction, on Claim Me***

"Hot, passionate, thrilling, and enticing! . . . I couldn't put this book down."—***Divas Daily Book Blog, on Complete Me***

# From Reader Review Play My Game for online ebook

**Melissa says**

**the ending was lacking**

So I couldn't wait for this because I have LOVED this series, but this was so short and lacking of any real plot that I am disappointed I even paid \$1.99 for it. Trying not to spoil what happens but this is entirely about their Valentine's Day, and the "dramatic" element to the story wasn't even wrapped up. Something bad might happen, and in the end it doesn't and that's the end of it. There's no answer to whodunit and the incredibly short novella just ends. Kinda lame, it's too bad because the books were so good, these novellas haven't had much story. They feel like the author just had to get some quick cash so she pushed out something fans would want to read, and gave us nothing. Sad.

*Play My Game*

***The Characters:***

Damien Stark

Nikki Stark

***The Story:***

This is our first peek into married life for Nikki and Damien. They seem to be settling in well. Damine is the king of romance, Nikki is so fortunate. A lot of this center's around Valentine's Day, Nikki and Damien's first together. They have been through so much I forget they haven't been together all that long. As usual these two are very sweet and thoughtful in their gift giving.

***The Random Thoughts:***

**4 Stars**

---

**Ray says**

it felt a less inspired story. it had it's moments, but overall, I wanted more. I felt the story was thin. I grew tired of the scripted scenes of intimacy. Perhaps I have read too much of these characters, but less detail might have a stronger effect. The writing of the scenes weren't remarkable. They could easily been inserted anywhere in the story without any adverse effect, they were that much alike. Sorry I wanted more from the characters and yhe author.

♥Casey♥ says

\*\*\*4.5 stars\*\*\*

This is the third (#3.7) of the "after the trilogy" novellas about Damien and Nikki Stark. Only to be read after the trilogy and other novellas. It is short and basically meant to give us a background story to lead into .

It is the week before Valentine's Day and Nikki thinks master of the universe and her husband, Damien, has forgotten about it. Little does she know, he hasn't. Nikki only has to "Play his Game" to get her present. And what a very sweet present it is. Who knew Damien was so soft and "animalistic" at the same time? I loved it!

They go on a spa getaway to the Bahamas and this is where we meet Mr. Jackson Steele which sets us up for the story in .

I will say, having already read Say My Name before this one, Say My Name makes more sense now, getting the backstory.

To the point: if you're a diehard Damien and Nikki fan(like me) and just want another small glimpse into their life, this book is for you. If you've read the Stark Trilogy and didn't enjoy it, then you won't enjoy this. I'm only counting off 1/2 star for the very short length and that's because I'm greedy.

3.5 ★'s

Damien and Nikki are back from their honeymoon and just in time for Valentine's Day. Nikki is a little upset thinking Damien has forgotten but of course, he hasn't...she just has to play his game.

Even though I had just got done with the series recently, I was really happy to see this coming out. It's always nice to get an update on this couple and what a wonderful story it is!

I loved Damien's Valentine scavenger hunt. I think that JK was quite inventive in coming up with all the clues but it was maybe a little *too* easy with how Nikki put things together.

Nikki's gift was really thoughtful...and from the heart. I loved that she was able to come up with something meaningful for the man who has everything.

And of course, there's plenty of romance and steaminess...I mean we are talking about Damien and Nikki, right? Even with a novella...there's plenty of spice! ;)

Unfortunately, there is more drama. And it's getting even more spiteful if that's even possible. I both hated and loved that it was left open ended...it just means we get another story! (I hope!)

I loved the little present when they got home as well...just what Nikki needed. It was sweet that Damien is so thoughtful!

And we get an intro to Jackson Steele with an excerpt from his book, *Say My Name*, from the Stark International series coming out April 7, 2015. He was a little intense but I'm sure JK will make it work.

### **Favorite quotes:**

♥ “Two best friends discussing a honeymoon. Why do I feel like I’m facing a performance review?”

---

### **Tanaka K says**

I love Damien Stark and Nikki Stark. They are my favourite couple to read. This novella is when they are married and enjoying their honeymoon. I love their dialogue and they are disgustly in love that it makes me sick lol. It seems there is always someone after them and they never get rest from the outside world. There is always a new threat or someone who just wants to cause trouble for them. This novella also introduces Jackson Steele and I cant wait to read about him and Sylvia. Thank you J Kenner for introducing the Stark Series to me...

5 heartstopping stars

♥♥♥♥♥

Perfect little Valentine's Novella about Mr. & Mrs. Stark!

And we got to meet the hero of the next book ... Mr. Jackson Steele!

---

## Bing says

A novella about Damien and Nikki's first Valentine's as a married couple. Although it was a short story, it was packed with sweet romance, hot scenes, and the ever-present intrigue and outside forces trying to cause problems for our seductive billionaire. Now that they were married, people were aware of Mr. Stark's kryptonite, the one person he would do anything and everything for. He used to be invincible, arrogant of his power, because there was no one he cared enough for who can be used to hurt him. With Nikki in his life, he found himself vulnerable. His enemies as well as those who wanted to take advantage of him now have a person to target to get to him, because the mere thought of making Nikki uncomfortable or threatened could bring him to his knees.

But he wasn't the infamous Damien Stark for nothing. He was the guy who could do a million things to protect his wife while giving her the best Valentine's she could hope for.

---

## Donna ~ The Romance Cover says

Loved catching up with Damien and Nikki. Post marriage life is suiting them, just a shame that everyone else cannot leave them alone!! (review to come)

## -C- says

*For my wife for Valentine's Day,  
A proposition, if I may—  
Three clues for you,  
You know what to do—  
And if you want your present to claim,  
You're going to have to play my game  
Now here's the clue that I speak of:  
Tell me, darling Nikki, what is sweeter than Love?*

---

## Brenda says

He is an excellent husband but this was more of the same...

---

## Julie B. says

4.5 stars. Looking forward to Jackson's books now. :)

---

## **Sofia Lazaridou says**

I really liked the novella. Usually I am not a fan of authors who expand their trilogies or series like that, but I approve this one. I loved the treasure hunt. I am quite happy when I see a couple been so in love with each other and blissful. To be honest, I would like a novella happening when Nikki finds she is pregnant or when the time for their first child is coming.

There is a guest star appearance of Jamie and Ryan, which is nice. Of course, there is some drama happening, but it's mostly about Damien and Nikki are being happy and strong. I believe that the little mystery that was left unsolved will lead to a new novella or it will be part of the plot of the Stark International books. I don't think the author will leave us wondering who was being the stuff that happened.
