Q B.B. Reid

DI

When my father gave him to me he was a broken slave in the blackest of markets. I healed him, befriended him, and then I loved him.

In return, he showed me that love was fleeting when he left me behind at the mercy of my father and never looked back. I never expected to see Q again, and I never suspected I still wanted him.

## JESSE

I thought I knew who I was. When he came for me and forced me into his world, the clench in my gut and chill down my spine told me I had no fucking clue.

Q didn't know that whenever our gazes met, his darkened with lust. He didn't know because I never told him. But it never stopped him from telling me I did the same.

\* \* \*

Q, Di, and Jesse are secondary characters from the Broken Love series. This is *their* story and can be read as a standalone.

*Contains sensitive themes such as M/M and an edge-of-your-seat love triangle.*
