Saving GiGi

Sandra J. Howell

Saving GiGi Sandra J. Howell

Samantha Steele finds herself entangled in a mystery involving her new friend Lyla Bernhart and her Mini horse GiGi.

Circumstances force Lyla to share a secret with Sam about the farm in Vermont where GiGi was born.

With Lyla's information, Sam and her friend Addie work to unravel the mystery of Pine Hollow Farm and the man called Doc, whom Lyla feared.

However, all is not what it appears to be and Sam and Addie find themselves involved in a twisted web of intrigue.

Patricia Williford says

A compelling mystery, intriguing characters, and a look into the equine world. A good read for any season.

Jennifer Fleury says

What a great read! Author, Sandra Howell, does it again with Saving Gigi. She draws the reader in with her detailed character descriptions and intrigue. Her love of horses is evident throughout the novel. You don't want to put the book down until the mystery is solved! I would highly recommend this book!

Lace says

Cute, light read. I liked the characters, and I liked the small town setting. I would have liked more info about the type of horses, for example maybe some unique characteristics. However this encouraged me to do my own research about Curly horses. This is a good book for horse lovers, for sure! And bakers :) I kept getting hungry while reading.

I received this book free via goodreads giveaway program.

Krista Horses says

I LOVE LOVE LOVED this book!! You truly do not want to set the book down as the mystery unfolds. I Highly recommend this book!! PS Another that I enjoyed sitting in the pasture reading to my Curly Horse :)

Monica Nichols says

Decent read. Ending was unclear. What did the girls discover? How did carver react to them? How come the women went to the banquet?
