# From Reader Review Sherlock Holmes - The Case of the Blue Diamond (Dominoes: Level 1 400 Word Vocabulary ) for online ebook

**Andy Hickman says**

Sir Arthur Conan Doyle, text adapted by Bill Bowler, "Sherlock Holmes: The Case of the Blue Diamond" (Oxford, 2004)

Fantastic adaptation with clever activities after each chapter. These activities are creative and challenging for young readers, providing stimulating and thought-provoking ways for parents and their children to investigate the case themselves and development cognitive skills.

This simplified book is very good, the story is very interesting for this level (thanks to Arthur Conan Doyle and his legendary Sherlock Holmes!), not too short not too long, and well illustrated. You have notes in english to understand complicate words. To my great surprise the audio part is well done, with a typical english accent and it's slow enough, so that people who learn english can understand, but it's not boring.
