I remember the cover but just not the story

Rebecca Snodgrass says

Mickey Mouse never gets old for any kid. Every story teaches a wonderful lesson and is filled with great pictures. My favorite part is when Mickey is on the spell book in the whirl pool. It really teaches you the consequences of not listening to your boss, teacher, parent, ect. This would be a good one to put in a library in your class room to boost kids imaginations.

What I learned from this book: "Never start something that you don't know how to finish."

Saga Norén says

Con este pequeño librito, hice un dibujo para un concurso de dibujo y me gané mi primera cámara de fotos a rollo. Con ella disfruté fotografiando parte de mi primaria y secundaria, partes de mi casa, mascotas, viaje a Temaikén en 2003. Qué recuerdos!!!!

Love this story and as always Little Golden books are ones to grab for the children you love. This is a fun adventure.

Lauren says

Cute book for young children! Nice tie in to the movie.

Dee says

This was not a bad story, it was packed with lots of action and turmoil as Mickey screwed up left right and

center.

Kenneth Flores says

Another awesome Mickey Mouse story!
