The Soldier's Lady Jordan Silver

Caleb McNamara took one look at the golden hair beauty and fell like a ton of bricks. As a captain in the army he knew how to live hard and play harder. He's never found a woman who could keep him locked down for long, but something tells him he might've met his match.

Melissa Jackson knew she wasn't society's picture of sexy beauty. She saw her healthy size as a detriment; at least that's what she'd always told herself. So how was she to believe that the movie star gorgeous captain with the amazing tattooed body was really interested in her? It had to be some joke between him and his army buddies. She soon learns differently when Caleb pulls out all the stops to win her heart.

Wow, that was a hot read for sure! Caleb (Commander) was definitely a strong Alpha male who was confident in himself and what he wanted - and he wanted Melissa and he wanted her to be sure she never doubted his feelings. Caleb really took his time with Melissa in the beginning, knowing her insecurities with her body - he wanted her to be more sure of herself before they took things to the next level. He was always in tune to her and her feelings, but wouldn't let her get away with putting herself down. I loved how he stood up for her, and how he helped her finally be able to stand up for herself, and be confident in the beautiful woman that she truly was.

Liz says

This is fine if you want mindless romance. I got tired of the heros' alpha schtick too quickly and the heroine's "I'm too fat" schtick.

Lyn says

46% and giving up..

I have to start off by saying I am in no way a prude. I love a steamy read, but I also need a story with characters that have some depth to them. This book here...nothing but straight porn. The H in this story is a crass alpha asshole and the h feeds into the stereotypical insecure girl who puts up with an asshole. The writing is low grade. The story idea had great potential but it doesn't seem to me that the author was interested in delivering a good story...just porn.

Vallsykes says

[spank you if you're sassy, put an ownership tag and ring on it to make you his and break you in with all 11 1/2 inches of his cock! (hide spoiler)]

Kim says

I didn't finish this. I read to about 14% and returned it. There is pretty much no punctuation, except for the random period. It needs commas. Lots of commas. Melissa needs a spine. And Caleb needs to not talk about his penis like it's a separate person. Caleb also comes on very strong. I would be thinking twice, if I were Melissa.

I have not blushed and fanned myself so much while reading a book.
This one was beyond hot. You need a new word for it, okay?

Caleb "Captin" McNamara is what any woman worth her salt wants in a man. Yes, he was the very definition of OTT Alpha Male. Set in his ways, beyond possessive. But also, endearing, caring, gentle, passionate & giving. He's hilarious as all get out. And this man took protective of his mate & all things he holds dear, to another level. I loved watching how it all unfolds.

You get both **Caleb & Melissa's** POV's here, but you do get more of **Caleb's** POV. I've been loving the male POV more in books lately, and I love it's placement here as well.

This was a very sexy, erotic, passionate & engaging read. I really enjoyed it and I would definitely recommend it. Please don't let the cover turn you away from this one. It's a good read.

Dawn Barber says

Finished it... barely. Alpha male was overboard and didn't feel like a guy at all. You just knew that a female was struggling to write a Man's POV. 2 stars for the message of loving yourself and working hard to get what you want.

Vashti says

Hot,sexy,dirty talking,alpha to the bone, super possessive hunk of a military man.Can I say "yes Captain" now! That is the hero in this book to a tee! and boy does he love his BBW from the top of her head right down to her toes.There were some extremely hot sex scenes,for a while,thought that I was reading me some porn lol! I took out a ruler to measure 11.5 inches!

The heroine is a size 16 gal with body issues stemming way back from her mother and the last man in her life.She feels that she is not worthy of the hero as she is not thin and beautiful.The hero quickly puts those thoughts out of her head with his constant "hard on" and devotion to her.Lots of sex ,morning,noon, and night happening.

I liked this book,the author is my go to for a really smutty read when the mood strikes.I go from HP's to smut in the blink of an eye,go figure!

My pet peeve,the grammer!The run on sentences used to drive me crazy,but, now,I just use autocorrect in my head and I am fine.

I hope that JS writes Lisa's story.4.5***

Mara says

I suspect that if I looked up "Mary Sue" on the dictionary, it would say "see The Soldier's Lady". This is really wishful thinking or daydreaming. (I guess every romance in a way is, but it usually comes with a different package, and maybe some sort of believability. Uhm.. or maybe not. I'm thinking about the Halequins...)

I don't begrudge the author the fantasy, who wouldn't like a guy who's always there, always ready to help, who's always on our side. Who is rich to boot too! And his family is Disney perfect, sure in politics. (There's also some strong hypocrisy going on: we want a size 16 heroine, but the hero is the usual hunk. Never a normal guy...)

What I do begrudge are the total lack of grammar and the price tag. The book needs an editor ASAP. Lady, style maybe personal, but grammar is not. Commas have quite a value. And editors help check the story too, like avoiding talking of different values (here weeks) in different moments. Or that a title with a different pov has the correct characters on the heading.

The price is totally a rip-off in my absolutely personal and humble opinion. 5\$ would be a lot for a novella, even if this book had been trad published. As a self pub with no content editing, no proof-reading, no real story and characterization outside a personal dream, my idea is that the price is really off-chart.

Ok, you got my spiel. As long as you're looking for some sex scenes in a contemporary setting and do not mind paying for it, this is the book for you. It surely leaves you .. interested.

A personal note. As a woman struggling with her weight since...ever.. I didn't found this book empowering (even if cute), on the contrary it's somewhat dangerous in its naivité. The "problem" is not the villains of the world, (they are simply repeating what the "world" thinks), but the people who love you. Who care about your health and image, but aren't always right in their approach. There's also the other facet of the story,

where being obese it is really dangerous, it's not an image problem. (Being or sounding real is what makes a character real and not simply shallow.)

Sheridan says

"I was ready to fuck, protect and shield." WHOA THERE! SWOON

Where have you been all of my life Captain Caleb McNamara?

“This is how a man fucks his mate, hard, wild and deep, no finesse....” SWOON AGAIN

FAN THE PRIVATES

I can't believe I've never read this author before. smh

This book was so so so so hot.

I love you Jordan Silver.

4.5 WTF??? Stars and

10 Scorching Hearts for Heat

Ok So this is my is my first trip down Jordan Silver Lane. Let's just say that I'm addicted and will be quickly consuming as man as I can. Consuming, imbibing, snorting, injecting..any way I can because that is what I felt like when I read this book. It was like something that I wanted to run away from but at the same time wanted to stay forever.

Is this a epic emotional or tragic love story? NO~!!!

It's a heat seeking missile aimed for

your

OVARIES

The KINK is at defcon 10 and there were parts that I didn't even know WTF they were describing.

I didn't know if I should scream or run away but I couldn't stop!!! I might have covered my eyes a time or two though.

THIS ONLY LASTED UNTIL CALEB OPENED HIS MOUTH THOUGH

WHEN HE SPOKE...I HAD TO PAY ATTENTION

Caleb just sucked me in with is hot alpha ways and I had to just ignore the Oh my gosh moments and enjoy the ride. He was so protective and even tender at times that I could help but fall harder each moment.

le="color: red;"> Caleb could pick his form of punishment and I'd probably sign up in a nano second. Let that man dominate me anytime, and oh my gosh when he speaks it's like my vagina says shut up bitch I'm listening right now.

Δι?βάσα το συγκεκριμ?νο βιβλ?ο στα πλα?σια της φ?σης που περν?ω κ?ποιες φορ?ς με συγκεκριμ?νες κατηγορ?ες σε βιβλ?α και λογοτεχνικο?ς χαρακτ?ρες. Αυτ? τη φορ? ?θελα να διαβ?σω μια ερωτικ? ιστορ?α με ?ρωα στρατιωτικ?. Το συγκεκριμ?νο βιβλ?ο το επ?λεξα με β?ση τη βαθμολογ?α του, αλλ? και επειδ? με τρ?βηξε η περ?ληψη.

Το βιβλ?ο διηγ?ται την ιστορ?α της Melissa και του Caleb, δ?ο ανθρ?πων με διαφορετικ? αφετηρ?α, διαφορετικ? ζω?, αλλ? κοιν? στ?σης ζω?ς και ?μορφες ψυχ?ς. Ο Caleb ερωτε?εται την Melissa απ? την πρ?τη στιγμ? που την αντικρ?ζει, ωστ?σο εκε?νη, ?ντως εγκλωβισμ?νη στην εικ?να της plus size κοπ?λας, αρνε?ται να του δ?σει οποιαδ?ποτε ευκαιρ?α. Ο Caleb ?μω? ε?ναι αποφασισμ?νος να την κατακτ?σει.

Ομολογ? πως το βιβλ?ο ε?ναι καλογραμμ?νο, κρατ?ντας φυσικ? το κανονιστικ? μοτ?βο των ερωτικ?ν ιστορι?ν με alpha male. Βρ?κα ιδιαιτ?ρως ενδιαφ?ρουσα την ιστορ?α και τις ελ?χιστες περιγραφ?ς της στρατιωτικ?ς ζω?ς. Οι ερωτικ?ς σκην?ς δεν ?ταν ιδιαιτ?ρως περιγραφικ?ς, σε βαθμ? που για το συγκεκριμ?νο ε?δος οφε?λει να μας προβληματ?σει, ?μω? τα ψυχογραφ?ματα των ηρ?ων κλ?βουν, κατ? την προσωπικ? μου ?ποψη, τις εντυπ?σεις. Ο τρ?πος που βλ?πει τον εαυτ? της η Melissa, το πως η οπτικ? της για το σ?μα της επιβ?λλεται στο δεσμ? της με τον Caleb, αλλ? και ο χειρισμ?ς που κ?νει εκε?νος ?χουν απ?στευτο ενδιαφ?ρον. Αξ?ζει τα 4 αστ?ρια απλ?ς και μ?νο για τη στ?ση του Caleb.

Tara TUG says

We all know I don't read to further my intellect so when someone says read this book it has an Alpha male in it. I'm jumping in balls deep. Caleb good god he could be the Captain to my vagina any day of the week. Now I'm new to Ms. Silver and her writing, but if she is going for making the whore in me blush she exceeded and then some. There was so much sex in such a short book that by the time I read "The End" my vagina felt like it was the one getting the workout. There were parts I had to read then reread then fucking Google just to cure my water balloon ass play curiosity.

SO here is my warning.. If you are against being fed a 9 and half inch cock or said cock having a mind of his own - this is not the book for you. If you can't seem to think outside of the sex box and only like missionary while having a boob groped - this is not the book for you. If you like a hot Alpha male who will only drop his load into you when he is sure he can "breed you" and if you believe the dick don't lie then this is your

book. You let that all sink in and I'm going to go get my next JS book and unleash my inner breeding bitch..

SamJ ★Needs a HEA★ says

I love, and I mean really love stories that are mainly from the Male POV! Especially when that Male makes it ever so clear what his feelings are!

Caleb McNamara knows what he wants, his dick knows what it wants (I for some reason love a man who talks to his own dick and gives it a little voice and mind of its own! If I had one, you can bet I would do the same!)

As with most Jordan Silver Male characters, he is ott bossy, sexy possessive and alpha to the extreme!

He will be in control, will not take any crap, and will spank your ass if you get out of line! **sigh**

It was beautiful how much he wanted to boost Melissa's self esteem, and he truly believed he was the lucky one to have found her, and it was never the other way around!

A great 4 stars for me!
