## **The Witch's Big Night Sally Huss**

The Halloween witch in this story is very perturbed by the visitors who come to her door. **No candy for them, instead she offers spiders, smelly dead fish, or a handful of worms.**

She's scary and grumpy. Her frustration stems from the fact that **not one of the trick-or-treaters has the gumption to trick her**, except for one kindly skunk. A tub of bobbing apples does the trick. How he does it is for you to find out.

**Full of amusing rhyme and whimsical illustrations that will delight even the most outrageous Halloween characters in your household.**

**If this sounds like something you would like, scroll up to download your copy.**

Be sure to take a peek at **THE VERY HELPFUL MONSTERS** another very funny book by Sally Huss.

## **From Reader Review The Witch's Big Night for online ebook**

### **Melissa says**

This book was really cute. I enjoyed the artwork and the theme of the story however the rhyming scheme did not work out for all of the pages. Sally Huss tried to the Night Before Christmas rhyming format, but most of the pages did not fit. The story was still great and I had a lot of fun reading it. I cannot wait to share it with the kids that I work with.

---

### **Miss Meghan's Class says**

This was a cute story and reminded me a lot of that famous Christmas story about being woken up by Santa.

The kids loved seeing the things she was giving to the kids who came to her house and felt bad for her because she was getting so frustrated with no one trying to trick her. In the end, they were very happy she became friends with the skunk and that she was finally happy.

Children's Books: THE WITCH'S BIG NIGHT (Very Funny, Rhyming Bedtime Story/Picture Book for Beginner Readers About Halloween and Kindness, Ages 2-8)

Colorful children's book about Halloween. Along the same lines as the night before Christmas, this one is also a rhyming book about the Halloween celebrations.

The witch is the one expected tonight, with treats for all. Everybody is frightened of the witch passing out tricks or treats. One is able to trick the witch into doing good things...

Other works by the author are highlighted at the end.

.

### **Nancy Brewer says**

#### **It's ok**

For a short kid's book, it's ok. I guess the story line of a mean witch making friends with a skunk and being nice to the skunk, is ok, too.

---

### **Petra Becerra says**

#### **Great book for kids**

Great book to read for kids or to kids. Especially around October!!! My kiddos loved it. It rhymed and made it simple and fun.

---

### **Cheryl says**

Very clever. My three year old granddaughter really loved it!

---

### **Angela Lambkin says**

#### **How will you celebrate Halloween? In kindness or being wicked ?**

What a delightful and entertaining children's ebook just in time for Halloween Eve. And such delightful and beautiful illustrations which I would recommend for kids from 2-8! Above are my reasons for giving this ebook five stars. I received this ebook for free and in return am now doing an honest review. Great job Sally!

#### **Children book**

It was a very interesting book and get enjoyable to read to my grandchildren. They thought quite funny and liked the story line.

### **Ian Wood says**

This is the complete review as it appears at my blog dedicated to reading, writing (no 'rithmatic!), movies, & TV. Blog reviews often contain links which are not reproduced here, nor will updates or modifications to the blog review be replicated here. Graphic and children's reviews on the blog typically feature two or three images from the book's interior, which are not reproduced here.

Note that I don't really do stars. To me a book is either worth reading or it isn't. I can't rate it three-fifths worth reading! The only reason I've relented and started putting stars up there is to credit the good ones, which were being unfairly uncredited. So, all you'll ever see from me is a five-star or a one-star (since no stars isn't a rating, unfortunately).

I have a mixed relationship with Sally Huss books. I dislike about as many as I like, so at least I know that if I hated the last one, there's a really good chance that I'll love the next. That's what happened here. This one was thoughtful and funny and educational. The premise is Halloween (yes, I know this is one of several I'll be reviewing late! Sorry! At least I'm getting them out of the way before Xmas reviews, which I'll no doubt post in January!)

The poetic meter is that of Clement Clarke Moore's A Visit from St. Nicholas, but here it's all about Halloween so instead of "'Twas the night before Christmas, when all thro' the house not a creature was stirring, not even a mouse" we get "'Twas the night of Halloween and all through the house every creature was stirring, even the grouse."

The witch is greeting trick or treat-ers by offering them dead fish or worms, and she seems to be having little luck until one particular kid finds a way through her thorny exterior - and that's the end, but not the end of being kind! It's a fun story; it's well told, and I recommend it.

#### **2nd chance for this author**

I had previously ordered 'Princess in a Teacup' and read it to my granddaughter. Neither of us were terribly impressed. This book has a much better flow and I find it much easier to read to a small (3 yr old) child as it is less convoluted. The illustrations are beautiful and fun.

---

### **P.S. Winn says**

Like "The Night before Christmas" the tale uses rhymes and fun to tell children about Halloween. The author uses big illustrations with bright colors and large text that is easy for younger children to read to deliver a great book and a new spooky tradition to make Halloween a Big Night of fun for all ages.

---

### **Melissa T says**

This is a very sweet story. It reminds me a lot of The Night Before Christmas. It's styled the same way in rhyme. It has a great message for kids about being kind. I do wish that the the illustrations were a bit more sharp, it would have done this book a greater justice.

---

### **Barbara Ann says**

Rhyming book for preschoolers and early elementary school age children. Focusing on Halloween, it begins with a rhyme that is reminiscent of "The Night Before Christmas." A witch opens her door to many children who asking for treats. Instead of candy, she hands out things like dead fish, worms, and spiders. She thinks her visitors are scared-y-cats. What she really wants is to find one who is not afraid. Will the witch meet her match? Can she be persuaded to be nice? Fun illustrations and a good choice for classroom read aloud or Halloween party.

---

### **Shelly Sigale Sigale says**

### **It doesn't have to be Halloween to enjoy**

My 6 yr old granddaughter got a kick out of the story & so did I. It was great. So many of her "site" words were in this simple rhyming story. I can't wait to get more books from this entertaining author!

### **Cats of Ulthar February Weird Fiction says**

REVIEW: THE WITCH'S BIG NIGHT by Sally Hiss

A fun approach to Halloween trick or treating. The Witch thinks she ought to be mean, but an encounter with a costumed skunk teaches that friendship, kindness, and sharing can be fun.
