A Malice Love 3 Bianca

In this bone chilling and blood spilling finale, you see that people will do anything to keep their secrets safe and their livelihoods protected.

Who knew that one attempted suicide would cause so many problems, is what Kason thought when all his secrets started rearing their ugly heads. When his secrets come out, he does the one thing that he thought that he would never do, which is commit a murder, and try to cover it up. When the one person he thought would never turn his back on him, does just that, his life takes a wild turn no one would ever forget.

All of Malice's secrets are on display for his wife and the world to see, but that is not stopping him from trying to work on his marriage. Realizing that his wife is not budging, he finds a new friend, but will she live up to Kam's potential, or will Malice realize that he has more fight in him to get his wife back?

Kam woke up with her life playing out on TV as if she was a movie star. After she is released from the hospital, she tries to steer clear of her husband, but he is making that impossible by popping up everywhere and stalking her on social media. When she notices that Phoenix may have a new girlfriend, feelings that she thought were gone came rushing back at once.

Will Kam still go through with the divorce, or will she realize that true love is worth fighting for?

Rollercoaster ride of emotions

Wow, book three is a rollercoaster ride of emotions. Kam is a survivor and came a long ways from the person we met in book one. She learns to step up for herself. Malice learns that real love is unmatched and that there's no life without his wife. I'm so happy for Trent and all that he's gained. I'm glad Paxton came around and is the father that Malice needs as he weathers the storm. Shelley is a real best friend and Kade, Kalena, and Mayhem are great supportive and loving siblings. Tracey and Kason are poor excuses for parents and deserve everything that happened to them. For Kam, there's nothing like a Malice's love because of how he love her unconditionally, help her to fully love herself, and set her free from all that she endure with her folks. But once the bull hit the fan, Malice finds out that there's nothing like love from Kambridge.

A malice love 3

I don't even know where to start. This book held my attention from the very first page. This book had me in my feelings. I definitely shed a couple of tears. I was happy that everyone gotten exactly what they deserved and Kam gotten an happy ending. I could see a spinoff about Kade and Mayhem. This is one series I definitely recommend that you read you won't be disappointed.

I don't know where to start, this book held my attention from the very first page until the very last and I still wanted more. It literally picked up right where the last installment left off on the rollercoaster ride began. And what a journey it was in this Malice Love Story. Had my emotions all over the place from happy, sad, laughing, crying and so, so mad. This series was full of drama, action, lies, secrets, betrayal and deceit the journey was awesome and I hate it's come to an end. So exciting and entertaining that my interest and wouldn't let go. Loved this well written storyline and plot, the characters were developed and loved their growth throughout the series. Loved how in the end all the families came together and everyone got what

they deserved and then some. Would love to read more about Kade and Mayhem. Awesome job Bianca and can't wait to see what's next for you.

Yassss

Team Malice!!! Im so glad they got their happily ever after. Everything worked out for every one. Kason got what he deserved.

Kelly Newman says

Awwww!!!

Can't believe I read 2-3 all in one day. Lmbo

This is one of the best series' I've read. Like ever!!

Action all the time. A wonderful story.

Hell I laughed , cried and was mad sometimes all at the same time.

I'll start mayhem later!! Lol

Amazing Read

Wow this series brought out every emotion out of me. I was happy, Sad, crying, everything. I dont want to say anything without giving the book up BUT i do hope a spin off with Mayhem is in the near future. I am never disappointed reading Biancas Books. After reading this series if Bianca isn't put on the list as one of your favorites you didn't get the full effect of this book.....This is definitely a MUST READ!!!

OMG this was a great read Bianca I loved Kam and Malice series as Mayhem and Olena

Kambridge Wilson-Bailey went thru so much from the abuse from her stepfather. Her mother Tracey Lewis was jealous of her own child who does that she poison her with mercury and she had to get a kidney transplant her real father saved her life Trent (aka) Big Willie Wilson. Malice and Kam went thru a lot drama lies, Deceit, Secrets, Pain, Kambridge found out Phoenix (aka) Malice secret of being a male escort service rich women since he was 16 years start with Catherine Jensen primping him out she fell in love with Malice. Malice met Kambridge Lewis his life changed for the better with his arrogant behavior he saved Kambridge from her abusive step-father. Kambridge Lewis started love herself without her make-up she was in not going anywhere 10 year relationship with Connor undercover racist who was using her to get in with her father. Kade Lewis her brother who tried to protect her from the beating from their father. Kalena her younger sister was also affected by Kambridge beating. Tracey Lewis sorry excuse for her mother was

poisoning her own daughter with mercury went into kidney failure and almost died. Kambridge Bailey and Malice Bailey got married she give up on live because she felt no one loved her enough to choose her. Kambridge Bailey tried to take a bunch of sleeping pills trying to kill her which in hindsight save her life and meeting her father after 22 years of separation for her father jealously over not being her father he took his rage out on her she didn't understand why. Tracey Lewis allowed Trent Wilson daughter to be abused and belittled because she was afraid to leave. After the pain and humiliation found out her husband was a former male escort sleeping with women for money Kambridge Bailey was the only woman he ever loved and couldn't be vulnerable with a kiss. She changed him for the better. Mr. Wilson was released from prison after the trump charges Kason Lewis trump up. Trent Wilson found love with Olivia Shaw Kambridge case worker they later married and had a bouncing baby boy. Malice almost lost his true love for his bad decisions he made before marrying him like sleep with her mother. Tracey Lewis was jealous of her daughter and Malice marriage and the love they shared she was five weeks pregnant and lost the baby and almost died as a result of her crazy ass. Kason Lewis ended up killing Tracey Lewis and him his lawyer Elliot covered it up. Trena Bledsoe ruined her chance with Malice when she disrespected his wife and kept showing up at Kambridge mother funeral she didn't feel any remorse are sorrowful for her mother murdered. Elliott turned on Kason Lewis and killed himself because of his guilty conscious he ended up with life in prison might judge has falling. Shelley Kambridge best friend takes over the business entrepreneur and settled down and knowing her worth. Kambridge Wilson-Bailey have renewed their vows and are now pregnant with twins Phobia and Phoenix Jr. Bailey. Donate didn't stand a chance with Kambridge she still loved her husband. Kade Lewis is still Kambridge protector and big brother he is Mayhem and Malice business manager. Malice Phoenix Bailey get the surprise of his life his wife surprise him with his dream come true barbershop Rich Cutz and renovated and hook him up. Also her handsome got his bachelor degree. He also killed Catherine Jensen with her crazy self Angela's Pryor and Phoenix mother tagged that ass good. I really enjoyed Malice and Mayhem series by Bianca she one of my favorite can't wait for the next series maybe one on Kade and Shelly or Kalena. Will Kambridge ever forgive her stepfather who cheated her out of her life with her father.

Ooh La La!!!

I loved this series from beginning to end! I am so glad that Kam and Malice finally got it together! Would love to hear Mayhem's story!

BookPlugTee says

Malice Love is GREAT!!!

This book was straight FIYAH ?????!!!! Even with this book being finished, I need more. I believe ALL of your readers feel in LOVE with both Kam and Malice and was truly pulling for them that everything worked out!! You did a PHENOMENAL job and this is by far one of the BEST series I've read in years!!! Thanks for making me believe in a happily ever after, even when problems arise.

Rainy_dai says

Thank you Bianca!!!

While on vacation I read 6 books in 4 days(A malice love 123 and A Mayhem Love 123)!!! I'm mean standing in line at a theme park, on my flight to and from..... I HAD TO KEEP READING!!!

The story line for these two trilogies were amazing full of twist, turns, and steamy descriptive scenes!!! Two thumbs up and 5 stars my lady!!! Thanks!!!

I need a book list so I can make sure I'm reading in the right order!!!

CeCee says

Biancaaaaa!!

This book was everything & more! I experienced so many emotions reading this book! I laughed and I cried. I'm so sad it ended! Keep up the good work!

Page Turner

This is the best story I've read in awhile. I couldn't stop reading until I was done. I loved these characters. Finally Kam and Malice got their happy ever after. They have been through so much, I didn't think they would make it. Kason got what he deserved in the end after all he's done to people. I like how, Korupt, Malice and Mayhem did to him what he did to Kam. I was so glad for Trent being able to find love and start living his life especially getting to know his daughter. I thought Tracey got off too easy. She should've lived to suffer like Kason. She turned into the mother from hell after getting a taste of Malice. All his clients lost their minds off the D. Lol but the things she did to Kam were crazy for a mother to do to her child. Malice was persistent when it came to Kam. He really wasn't letting her go. I enjoyed this story. It was a page turner. If you love a good thug love story, you must read this. The end was full of drama and action. You will love this story.

ENCORE?????

I have no idea how to even began my review for this book... But I guess, I'll just start by saying that this deserved more than 5 stars. From the beginning to the end of this series, Author Bianca came out tugging at the heart strings and did not let up. Kam... I love her. Malice... I love him too. ?? the secrets, drama, and surprises that occurred in this book had me on edge and drove me crazy. I laughed, cried, yelled... Pretty much any emotion you could think of having, this book brought it out of me! I'm sad to say goodbye to these characters... ? I can't wait to see what's coming next from this amazing author, though.... Get you an Author Bianca in ya life! ♡?
