Bedtime Erotica Lexy Harper

Bedtime Erotica is a collection of eight explicit short stories that will leave a lasting impression. It starts off with a cautionary tale in Another Woman and quickly shifts to the more subtly erotic Double The Trouble, a story of a woman desired equally by her boyfriend and his identical twin. Lexy constantly turns the heat up and down with each story, leaving the reader's passions simmering until they get to Oxford Blue, a beautifully written tale of a mature woman's seduction by her son's friend that will make you question your morals and ends in a bang with Telephone Sex: a raw, nasty and in-your-face story which is a prelude to the next book in the series: Bedtime Erotica for Freaks (like me). The characters are all different: from the young, shy, virginal to the sassy, sexy, downright outrageous, mature, older woman. They each take a pleasure-filled adventure to satisfy a sexual hunger that craves ultimate fulfilment.

Pretty steamy set of stories. I liked the variety as well. A little something for everyone. :)

Lexy Harper says

The story Double the Trouble is the first full-length erotic story I have ever written, but it started life as a 500-word teaser I had written for myself. All my erotic story share that common feature - I have written them for myself, but I hope that others enjoy them too.
