Cinque meravigliose stelline. La Reisz è sempre e solo la Reisz. Se ci fossero sei stelline, ne darei esattamente OTTOMILA.

E poi questa "Christmas in Suite 37A" è solo dedicata a Griffin e Michael. Come si fa a non amare questa storia? Per di più GRATUITA sul sito dell'autrice? Non è la solita storia, c'è anche dolore, c'è crisi.. E ci sono anche tante lacrime. Lacrime versate da me per un amore così meraviglioso.

Ora non ci resta che attendere l'evolversi del loro rapporto e di tutto quello che accadrà.

Amo la Reisz, non si era notato, vero?

**God bless Tiffany Reisz, and the extra little shorts that she gives us from *The Original Sinners* world.**

#### **4.5 stars**

Featuring Griffin and Michael, this story takes place two years and three months after the end of *The Angel* and seven months after *The Saint* and *The King*. (It's got huge spoilers for those last two books, so make sure you've read them before making a start on this one).

Told entirely from the POV of Griffin, we get an in-depth look at a turning point in his relationship with Michael, as well as catching up with Nora and Soren, with a little glimpse of Kingsley and Juliette.

If you're a fan of this series, you'll know exactly what to expect so I really don't need to say anything, but I loved every moment of this story! The brilliant dynamics, the banter, the kink, the romance (yes, romance!),

and Griffin at his best - in his kilt and boots, no less! – God, I love him!

This is a fantastic little extra, and a must-read for fans. It's available free on Tiffany's website here

4.5 stars.

I seriously LOVE Griffin and Michael! What a great Christmas gift from Tiffany Reisz!!

Since I haven't read any of the books in the White Years, I was a little confused about the circumstances of where things began. I may have spoiled some things for myself??? But, oh well, I got some time with Griffin and Michael! That's all I cared about! I won't go into any detail about what happens since I'd hate to spoil things for anyone else (I'll just do it to myself - wait, that sounds weird?). All I will say is....THAT LETTER!!! Oh, and we get Griffin in a kilt. You're welcome.

"If he approaches Me by a hand's breadth,  
I draw near to him by an arm's length;  
and if he draws near to Me by an arm's length, I draw near to him by a fathom.  
If he comes to Me walking,  
I come to him running."

God Lord have I missed you Griffin.....

That was quite the tidbit of info at the end about the rest of the gang!!

*Griffin had inherited The 8th Circle from Kingsley. The club was his responsibility and it took more of his time than Griffin ever dreamed it would. Wrangling wayward submissives and putting pro-Doms into place and planning private parties and wooin*
