### **Essie says**

I am really enjoying this series. The characters are so believable and I feel almost like they are real people, not just characters in a story. The characters are well drawn with all their quirks and foibles and their strengths and weaknesses shown. I like how the bad guys get what is coming to them and how the Earnest brothers slowly grow and change. I recommend these books to anyone who likes historical and or mail order bride stories.

### **Lois Theasmeyer says**

**Really liked how the stories blended together. With so many characters, it's easy to get confused but the author did a good job of leading me to the next story.**

I like how it blends so many different races together and reminds one that we're all really the same humans.

**Real characters,bring these books to life.**

Each story is unique, the characters are very likeable. I have no trouble visually seeing the settings and feel I g the emotions of the people. I have laughed and cried right along with these characters. I am definitely a Linda Bridey new fan!

#### **Saving Echo**

After reading the Mountain Mail Order Bride series, I decided to check out the Echo Canyon series. Having

finished this box set, I am looking forward to reading the rest of the sets.

#### **Echo Canyon Brides Box Set review**

Echo Canyon Brides Box Set, books 1-3 contains the first three books in this historical western series written by author Linda Bridey.

---

### **Jackie says**

First tale sets the tone as three couples find each other in fictional small town Echo Canyon Montana.

3 mail-order-brides find their happy ever after with 3 lucky men who are as different from each other as are the women they marry.

Favorite couple is Erin and Win in book 2.

#### **Lovely stories!**

Another winning series from a wonderful old west author! Echo canyon is a great town to read about and a wonderful setting for a new crop of mail order brides! Mysteries and problems and of course love! Can't wait to read more! Great reading!

### **Laura says**

#### **Just a light hearted series to read**

What a fun light hearted reading! Linda keeps the reader engaged by setting up the next scene and she has you falling in love with the story and characters. Makes you want to go to Echo Canyon, sit a spell at Spikes and toss one back. Thanks for a fun set of books to read Ms Bridey.

#### **Mail order brides**

I did not enjoy these books anywhere as much as the first ones I read none of these stories were finished so I will not buy any more the other ones made me cry and laugh , but these were like reading one book and

nothing got finished so I only gave it two star's

#### **Mail Order Brides find love and adventure.**

I enjoyed the world of love and laughter that Kinda Bridey has created. I also really liked her characters and their relationships. Well done!

### **Christina Lawson says**

#### **I liked it but....**

I read the first three books but I had trouble getting past all of the technical editing issues. Typos and missing words made it difficult to read some sentences. This series needed a good read through before being released. That annoys the hell out of me and normally I would stop reading the book but the storylines were good. I admit to some eye rolling on my part but there were a lot of parts that sucked me in. That being said, I will continue to read through the rest of the books. I need to see what happens to the bad guys turned good(?) and if it sticks.

#### **Very Good**

A wonderful series. Great story telling. The characters are very realistic. Makes you want to live in Echo. Can't wait for the next set of books in the series. Enjoy!

---

### **Gail Christianer says**

#### **Pleasant but woefully historically inaccurate**

Nice characters and good plotting, but historically impossible. This is a modern set of characters and dialogue placed in an historical setting.

As long as you don't mind anachronisms galore, it's pleasant reading.

#### **Ebooks**

Love this series. Each book is about a man seeking a bride. The stories have a continuous theme about the town of Echo and how the towns people are working to keep the town alive. Getting brides to come and live there is the solution...
