**Finding Cinderella (Old Edition)** Kia Amazona

He's. . . hot, popular, and proud.

She's. . . plain, eccentric, and persistent.

There's nothing common between them except that they hated each other.

Not good, right?

But why was he determined to find her, while she was determined to escape him?

Twists got turns, fates had entangled. Life had even become harder than before.

And their once-upon-a-modern-time story started with a dance.

### **Edvina Swift says**

I didn't actually read this, I was re-reading a Harry Potter book but Goodreads doesn't count re-reads.

---

### **Chloe says**

I didn't actually read this Wattpad story, I actually re-read Anna and the French Kiss but Goodreads doesn't count re-reads. Again it is one of my favorite books EVER 10/10 stars I love it
