## Hello Mr Twiddle Enid Blyton

Mr Twiddle is an old man who is always doing something silly. He loses everything, he puts the fireworks on the fire by mistake, he tries to read the herrings and feed the newspapers to the cat, forgets the dog and takes the lead for a walk, and try as he might, he can't remember anything.

## From Reader Review Hello Mr Twiddle for online ebook

### Hannah Mead says

Quick read through to remind me of back when the happiest moments of my childhood were when I was immersed in my large collection of Enid Blyton books. Ah the memories. xD There is no substance whatsoever to this book - just light-hearted repetitive froth. But good froth all the same. xD

### John says

Mr Twiddle was another of my daughters favourite stories.

But then, you can't really go wrong with Blyton can you?

The tales are simply timeless.

I loved Mr Twiddle stories so much when I was a kid, I use to have the tapes and used to listen to them over and over again. They were so fun, I knew them off by heart and laughed away because Mr Twiddle is such a silly man. My favorites included the one where he lost the dog he was suppose to be walking and instead walked an empty lead, the one where he smokes his pen and writes with his pipe and the one with the bonfire where he put all the fireworks into the bonfire and they chased everyone around.

I would so love to get these as actual books so I can relive my childhood days and read all the ones I didn't get round to listening to as a child.

The Mr Twiddle stories are great, **read them!**

### Dan Blu says

Read it when I was a kid. Was mocked for it but I love it so much and it's amazingly funny.

### Heelqueen says

Loved rereading this as an adult. A childhood favourite of mine growing up I used to spend hours and hours laughing at mr twiddle's disasters he always got himself into.

As an adult reading about him still made me laugh. Poor mr twiddle always getting everything wrong all the time.

The books that first got me into reading

I saw this book in a charity shop and it brought back many memories. Absolutely loved reading this. The stories are funny. I particularly liked Mr Twiddle and the cat and Mr Twiddle and the cow.
