That wasn't so good... Hmmmm....

## Amanda says

I liked this book but I wasn't crazy about Derek/Alex's initiation into The Club, it was a little disturbing. This is definitely a great series...albeit a little disturbing in parts but good none the less.

So this part is obviously centering around Derek/Alex's initiation into The Club (a secret society of sorts that centers around BDSM orgies). Derek tells Julia the truth about everything and they go in together to try and find Derek's ex Elise who is presumed to be a "slave" for one of the highest members of The Club.

Onto the next book...

★★★★! The Billionaire's Son series, Part 1-8 (Complete series). Quick and light read with a great storyline!

*I have been eyeing this Erotic (BDSM) series for awhile, but I was apprehensive that it was just going to pages upon pages of sex with no storyline. Surprisingly, on the contrary, the Billionaire's Son series very much has a storyline – it's centered around a mystery. There are secrets, hidden agendas, powerful men in clandestine sex clubs, orgies, money laundering, add to that scorching sex scenes with a hot alpha male...*

*This series consists of 8 parts/novellas that combined make up a 70,000 word read. Series is complete, all set to be read. Book/part 1 is currently FREE on Amazon US.*

Julia Collins (forensic accountant/32 years/brown hair) is hired by a Billionaire to perform some top secret forensic accounting. Due to the nature of the job she works at his mansion. There she comes in contact with his only son, Derek Vaughn (30's/businessman-playboy/\$\$\$/black hair/grey eyes). At first glance Derek comes across as a jaded, spoiled and even arrogant alpha male, but as the book progresses you will see some more layers to him. I really enjoyed him. Derek and Julia are thrown into as well as thrown together to uncover a mystery in a world the secret society sex clubs and the most powerful men in the world (some light BDSM). There is suspense, intrigue, hot sex and more all wrapped up into a feel good read.

Anxious for the ending

### **Paulien says**

This book was dark, like the second previous one, but it was romantic like the last one.

I think this book is one of the best ones that I've already read.

I think that they really have a connection, and I think that he's caring for her.

More than he shows.

But those other dudes probing at her? No, that's just wrong.

Don't the assholes see that she was crying. If a person choses to go into that lifestyle, they also should have a way out.

### **Jesseeca says**

This was the only one I didn't like... The big issue about what Jackson did at the initiation was never addressed, like it never happened

### **Mrsluciano says**

All the sections have been great! I can't wait for the last section to come out!
