Phenomenal cookbook. I highly recommend the Tagliarini with Lemon Sauce. Add shrimp.

Nice layout. Some tasty recipes. Pretty simple stuff.

Kerry says

I use this cookbook pretty regularly. It's full of recipes where it takes longer for me to cook the pasta than it does to make the sauce. Most of the recipes use fairly common ingredients that I can find in our small-town grocery stores with few problems. I love the penne with vodka sauce and the pasta with eggplant and mozzarella.

Natasha says

A real treat.

Natalia says

This is my favorite cookbook of all time and I wish I had it in hardcover because it is falling apart. It is accessible, authentic, and I LOVE the little stories about why she's chosen each take on a classic or where she was inspired/discovered a new and amazing combination. I have never made anything from this book that didn't come out amazing.

Happyreader says
